9. **Report of the Executive Committee —**
By Dr. R. W. Kicklighter:

The Executive Committee of the Chowan Baptist Association held three meetings during the year. At each meeting reports were received from the organizations, committees and officers of the Association. Present plans and needs and opportunities for development were discussed.

The following business of note was transacted by the Committee:

1. Supplemental aid for pastor's salary from State Missions was approved for Fairfield, Sladesville, Engelhard, Nags Head, Rose Bay, and Swan Quarter.

2. Application for $950.00 assistance for the support of an associational missionary from the Baptist State Convention was made by the committee and granted by the General Board of the Convention.

3. Periodic reports were approved from the Associational Treasurer, Missions Committee, Campsite Committee, the Summer Mission at Kitty Hawk, the Schools of Missions and the Promotional Secretary.

4. The balance on hand from the Schools of Missions was transferred to the General fund. ($132.01).

5. The Missions Committee was authorized to purchase a typewriter and a mimeograph machine for the Promotional Secretary's office.

6. Mr. Dennis Morgan was appointed to assist Mr. S. R. Moore as Associational Treasurer.

7. The resignation of the Rev. Mr. Don C. Pryor as Promotional Secretary was accepted with deep regret and expressions of sincere appreciation for the excellent leadership and work given by him to the growth and development of the Association, churches and persons. It was recommended that a gift be presented to him at the annual session of the Association.

8. Mr. Dennis Morgan was elected to audit the treasurer's books and report to the Association.

9. The Committee recommends that the Associational officers include three trustees and an assistant treasurer.

10. The Committee recommends that the Association elect a committee of not more than seven members to select a new Promotional Secretary. This committee will recommend the man to the Executive Committee. The Executive Committee will then call a special session of the Association to elect the Promotional Secretary.

11. The Committee approves the budget submitted by the Missions Committee and recommends its adoption by the Association. The budget is as follows: (1961-62)

12. The Special Session of the Baptist State Convention meeting in Greensboro, May 2, 1961, failed to act on the proposal of the Committee on College Advance by adopting a substitute proposal recommending and requesting that each church in the convention increase its gifts to the Co-Operative Program by 35% each year for three years. In the light of the desperate needs of our Baptist colleges, the Executive Committee recommends that the Association endorse this proposal and encourage each church to prayerfully consider increasing its gifts to the Co-Operative program by 35% each year for three years until a better plan can be devised to support our colleges.

13. The Schools of Missions, the Summer Mission at Kitty Hawk, the support of the Missions Budget, the increase in the number of churches contributing to the Co-Operative Program (all but three), the consideration of a summer camp, growth in unity, and the improvement of organizations mark this as a year of advance and achievement for the Chowan Baptist Association.

10. Dr. Kicklighter called John M. Elliott, Vice Moderator, to the chair to preside during the reading of and action upon the report; and upon his motion the report was adopted.

11. The congregation sang The Old Rugged Cross, led by Rev. Norman Harris.

12. Three former Moderators - Dr. I. A. Ward, W. J. Berryman and J. H. Moore were recognized and welcomed by the Moderator.

13. Report of Committee on Campsite — By J. H. Moore:

The Chowan Baptist Association meeting on October 21, 1959 authorized the appointment of a Committee on a Summer Assembly to investigate thoroughly the possibility of establishing a summer assembly. This committee presented the need for such an assembly site to be used for G.A. and R.A. week camps, day camps, meetings to be held by the W.M.U., Brotherhood, Sunday School, Training Union and various groups in the local churches. The proposed cost of erecting such a camp was estimated at approximately $46,000.00. Two possible sites for the erection of a camp were presented to the Association.

The Chowan Baptist Association meeting on October 19, 1960 accepted provisionally the offer of the James Cale property located on the Perquimans River, consisting of some 50 acres with a river frontage of about 900 feet. The provision was that the Association determine its ability to construct and operate a summer assembly camp.

The Committee of Fifteen, appointed October 19, 1960 to study the possibilities of a summer assembly camp presents the following report:

The study of the previous Committee on the Summer Assembly, reported on page 20 and 21 of the 1960 minutes, is a realistic appraisal of the cost of construction, possible use and program and should form the basis for future planning and development.

This Committee, following the instructions of the Association, has contacted each local church to determine the churches' willingness to assume the financial obligation of constructing a camp on the property offered by Mr. James Cale. Eighteen of the 58 churches responded with 10 of the churches making a definite committment over a period of 10 years. Six churches indicated a desire to contribute when able. Between $1500.00 and $2000.00 a year for construction would be available from the churches. The response was not sufficient to indicate the possibility of construction of the camp in the immediate future. However interest was such as to promise the possibility of constructing a camp on said property at some future date.

Therefore, the Committee recommends that the Association accept the property offered by Mr. Cale with the intention to construct a camp as it becomes financially practicable. Each church and individuals are incouraged to begin making their contributions now to the Associational Treasurer for this purpose.

14. Mr. Moore made the motion for adoption of the report and recommendations. It was discussed and a number of questions asked by Rev. M. W. Grissom, Dr. R. W. Kicklighter, Rev. H. V. Napier, Rev. P. T. Bailey and E. R. Woodard. On motion by W. J. Berryman the motion for acceptance of the report was amended to return the property to the donors if we are unable or for any reason we do not build. Rev. M. W. Grissom's motion to limit the Association to five years in which to build before returning the property to the donors was lost. On motion we returned to the original motion and it was carried. Mr. James Cale, donor of the camp site, was recognized. In his remarks he urged the wholeheart-

ed support of a summer camp and stated that he was glad the amendment was lost and that he did not want the land back. A rising vote of thanks was extended to him for his generosity. In the afternoon session the Moderator announced that an anonymous man and his wife during the lunch hour offered to give $1000.00 on the camp building.

15. **Report on Evangelism — By Rev. W. S. Brown:**

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people - hopeless because they do not know Christ - grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them have been disillusioned by the apathy and lack of concern on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. This is the time for total dedication to Christ in His purpose of winning multitudes to God.

Our association is the best launching place for new frontiers in evangelism and missions. By taking a look at where we are we should be aroused to the fact that it is time to get a virile program of evangelism on the launching pad for our churches. We have a ratio of baptisms for 1959 and 1960 of 1 to 36. In 1960, 13 of our churches reported no baptisms.

Because evangelism is the heart of all the work of our churches, I recommend the following:

1. That we recognize the elected Associational Officers as the evangelism committee, the Chairman of Evangelism to be the Chairman of the committee, and that we pledge our wholehearted cooperation to this committee.

2. That our association have an annual Evangelism Clinic using the dates and following the suggested program supplied by the Division Of Evangelism.

16. On motion of Brother Brown the report was adopted without discussion.

17. **Report of Social Action — By Rev. P. T. Bailey:**

Social problems still remain with us. Each organization has its own statistics to prove that conditions are not improving in our world. We hear the prophets warning us that the liquor forces, organized prostitution, gambling syndicates, racial prejudices and other vices are determining the pattern of behaviour of the masses. While the church is at ease in Zion, these devasting forces are actively working in our society. Is there anything that we as Baptists can do to stem the tide of evil? I think so. Our talk alone will not do it. Our preaching has its limitations. The best way to realize a transformed society is for transformed men to walk in the light of God's holiness and righteousness. Remember the words of John "In Him was life, and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not." John 1:4-5. This report can condemn and attack the social evils and we all would join in a hearty amen in our judgment. But it is far better to light a candle than to curse the darkness. We need to go back to our communities and shine for Jesus by living a dynamic Christian life. There is a need

for our churches to step up its evangelistic efforts. We need to go back to the simple truth that what the gambler, prostitute, thief, drunkard and other sinners need is a re-birth, a transformation, a regeneration. This is the action we need to take — win the lost to a saving knowledge of Jesus Christ. Bear the good news to a lost and corrupt society. The world says change society and society will change the man. Jesus says change the man and man will change society.

18. The report was on motion of Brother Bailey adopted without reading and presented for the minutes.

19. **Report on Temperance and Morals —**

By Rev. Paul Faircloth:

The problems which plague our society as a result of the ever-increasing consumption of alcoholic beverages have made us to become duly alarmed about the present and the future. In a nationwide survey sponsored by Rutgers University it was found that by religious groups abstinence is practiced by only 41% of the Protestants.

This startling fact indicates that by comparison a baby that is born into this culture is more apt to grow up and become an alcoholic than he is to die of polio, cancer, or heart disease.

As Christians there is much that we can and must do to combat this public enemy. We should use the power of prayer, the influence of legislature, the witness to friends and acquaintances and seek to present the Christian message of hope in Christ to our own society.

Let us remind ourselves of the church covenant which reads, "Having been led, as we believe, by the Spirit of God . . . we engage . . . to walk circumspectly in the world; . . . to abstain from the sale and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the kingdom of our Saviour."

20. On motion of Brother Faircloth the report was presented and accepted without reading.

21. Host pastor, Leonard Gerrald, made announcements concerning lunch.

22. The eleven o'clock worship service included the singing of Holy, Holy, Holy by the congregation; Scripture reading and prayer by Rev. P. T. Bailey; a vocal solo My God And I by Mrs. Melvin J. Hughes, accompanied at the piano by Mrs. W. L. Winslow; and the Associational sermon by Rev. Melvin J. Hughes. At the close of the sermon Brother Hughes offered thanks for the food sumptuously provided by the host Church. Then the session was adjourned for lunch.

TUESDAY AFTERNOON SESSION

Hobbsville, October 17, 1961

23. Rev. M. W. Grissom led in singing O Worship The King, and Come, Thou Almighty King. Devotions including the reading of the Scripture and prayer was led by Rev. R. L. Willis.

24. Dr. R. H. Hollingsworth, Chaplain of Wake Forest College, was recognized and he spoke of the college program and brought greetings from the college and its faculty.

25. **Report of Missions Committee — By Rev. H. V. Napier:**

Your Missions Committee has tried this year to carry out your mandate to establish a mission work at Kitty Hawk. In all our meetings we have had this matter as the major item of discussion. In February I was asked by your Executive Committee to act as Chairman until this annual meeting. I took the job with fear and trembling and have tried to do my best with what little I know about our total Mission program. We have continued the work and discussion of the summer mission at Kitty Hawk and gave to our Promotional Secretary the responsibility of seeing that a building was secured and a worker employed to help. That was done with a former dance hall and beer joint being remodeled into a suitable place for the type meeting we planned. The mission operated for eleven weeks and we were, with the help of the churches and their pastors and workers, able to minister to a total of 1405 souls. At the end of the year the fund for this work had a balance of $1015.01 to be used as you see fit. Your Committee recommends that the project be continued for another year at least and that your Committee be given your vote of approval to go ahead with plans to lease the same or some other suitable building for the mission. We recommend that the mission bear the name CHOWAN BAPTIST CHAPEL and that plans be taken now to secure a summer worker for the three months of June, July and August, 1962. We further recommend that our Promotional Secretary be instructed to give his full time to help the summer worker in the work there and to supervise the visitation program so that not only will the summer mission be given help, but our established work at the Nags Head Baptist Church may be strengthened.

Your committee is aware that you voted last year to turn Builder's Club funds over to the Nags Head Church, and understand that work is going on there now to provide additional space for the summer months. We suggest that if any church desires to send any funds to that church they do so and mark them for any cause they think might be worthy for that church.

Your Committee suggests that your Committee be given the privilege of making a study of the advisability of building or purchasing a home for our Promotional Secretary. They thought in terms of a home on the Camp Site, but it would not be bound by such thinking.

Our churches have been generous in their gifts to our Associational causes during the year with $8,210.68 being given for General Fund expenses; $783.30 for Minute Fund; $1338.38 for Schools of Missions; $2,727.88 for the Kitty Hawk Missions (Some of this came from other sources than churches, i.e. $80.00 from State Mission Board); and $347.50 for the Jamica Crusade, making a total given to all Associational causes of $13,407.74, the greatest amount given in the history of our Association. Part of the General Fund came from our State Missions Board and it is hoped that soon we may be able to completely carry on our program without help from our State Missions Board. Your continued giving is encouraged and each church is reminded that the goal that has been set is seventy-five (75) cents per resident member for our Associational Missions Program for General Fund.

We recommend the following budget to the Executive Committee which in turn adopted it to be presented to you at this time:

Administrative—

	Last Year	Recommended
Secretary Salary	$4500.00	$4500.00
Secretary's Retirement plan	200.00	200.00
Travel Allowance	1440.00	1440.00
Housing Allowance	720.00	900.00
Convention Expense (if used)	300.00	300.00
TOTAL	$7160.00	$7280.00

Operation Expense—

Office Help	$ 450.00	$ 350.00
Telephone	200.00	200.00
Office Supplies	150.00	250.00
Postage	250.00	200.00
Gas for heating office	15.00	30.00
Bulletins	350.00	350.00
Office Equipment	150.00	150.00
Miscellaneous Items	200.00	200.00
Sunday School Promotion		50.00
Training Union Promotion		50.00
Brotherhood Promotion		50.00
TOTAL	$1765.00	$1880.00

The addition of Sunday School, Training Union and Brotherhood Promotion is to bring into line with our Constitution all funds in our Association. The Treasurers of each of these organizations are to turn their present funds over to our Associational Treasurer and he in turn will disburse all expenses and take care of the cost of promotion. Offerings will continue to be taken for the present and a treasurer will be necessary for each organization to take care of that offering and to turn it over to our Associational Treasurer. It was hoped that this plan could eventually include the W.M.U. but with their Scholarship plan it seemed impossible at present. However, they are asked to study the matter and see if they can also come under the Regular treasurer for promotion and certain other items. The increase in the budget will be offset this year and every year by the amount turned over to our Treasurer. The total amount which is recommended for the new year is $9,160.00.

Again, many thanks for your prayers, your gifts and your work in making this year of success for us in our Association. Your continued prayers and cooperation is asked that next year may be even greater as we plan and work for our Lord.

26. The report with its recommendations was on motion adopted.

27. **Report on Camp Council — By Mrs. Ned Nixon:**

As recommended by the 1960 Association, the Camp Council was duly organized and held the first meeting at Ballard's Bridge Church Sunday afternoon, October 23, 1960. The Rev. Don Pryor was elected Chairman and Mrs. Ned Nixon was named as Secretary-Treasurer. At scheduled meetings thereafter, Camp policies were adopted, Directors named and Counselors secured for the two Camps.

The Intermediate G.A. Camp was held June 19-23, 1961 at Chowan College with the Rev. Paul Faircloth as Director. Although only twenty-four

girls attended, the Camp was a success. The memory of the spiritual atmosphere will live on through the years in the lives of those who attended. One of the highlights of the Camp was the emphasis placed on vocational guidance. A nurse, a home-maker and a teacher spoke to the girls on the importance of God in their particular vocations. The Rev. Eph Whisenhunt was Missionary and there were five Conselors.

Camp for the R.A.'s and Junior G.A.'s was held at Chowan College July 10 - 14, 1961. The Rev. Henry Napier was Director and the Rev. Norman Harris, Assistant Director. Missionary Ralph Harrell told the 199 person present of his experiences in Africa and the Africans' need of Christ. Christian movies were a nightly feature that held the attention of all. The Council feels that the impression of a day that begins with morning watch and continues with emphasis on the Christian way of life — through teaching, preaching, recreation and example — and draws to a close with vesper services followed by nightly devotions in small groups, will leave its mark on those participating. We are grateful to each person who helped in any way.

Because of the smallness of the Intermediate G.A. Camp and the additional expenses (movies and materials for hand craft) of R.A. and Jr. G.A. Camp, they were not self-supporting.

Financial Statement

28. The report was on motion adopted.

29. The Moderator recognized Rev. Melvin J. Hughes to read the following proposed amendments to the Constitution which was tabled to be acted upon the following day:

Be it resolved that the following article become Article VIII of the Constitution and the numbering of all subsequent articles changed to conform:

ARTICLE VIII — Trustees of the Association

The Chowan Baptist Association shall have three trustees who shall serve for one year and shall hold title to the property of the Association and convey and use the same as directed by the Association or its Executive Committee. They shall execute obligation only in behalf of and as ordered by the Association. They shall have the powers granted to trustees of religious societies by the laws of the State of North Carolina, but subject always to the limitations imposed by this Association and by action of the Association or its Executive Committee. The Trustees shall make full detailed reports to the annual sessions of the Association and at other times if requested by the Executive Committee. The Trustees shall keep full minutes of all their meetings and preserve the same in permanent forms. They shall elect their own Chairman and Secretary. Any vacancy occuring in their membership between sessions of the Association shall be filled by the Executive Committee.

Article 1 of the constitution shall contain the words "Assistant Treasurer and Three Trustees", inserted between the words "Treasurer" and "Sunday School Superintendent".

30. Rev. H. V. Napier offered the following proposed ammendment to the Constitution to be tabled for action upon the following day:

Article IV — Meetings, which now reads "The Association shall meet annually on Tuesday and Wednesday after the third Sunday in October, etc.

To be Amended to read:

"The Association shall meet annually on Tuesday after the third Sunday in October, etc. . . "

The purpose of this amendment to do away with one of the days of our annual meeting. The suggestion has been made and talked over by a great many people in the light of the fact that the reports of the standing committees are not to be read unless they contain some recommendation or some object which needs special attention by the Association. That means a shorter time is needed for our business and will make it easier to secure places for our annual meeting. This amendment is offered for your consideration without recommendation by me, but in order that you might be able to express yourself on this matter. It depends on how busy you are and as to whether you feel that two days are necessary. Do as you think needed.

31. On motion the Rules of Order be and are hereby ammended to have reports of all Standing Committees in the hands of the Clerk not less than 30 days prior to the Associational meeting. The Clerk shall have the reports prepared in pamphlet form to be distributed to the messengers at the annual session.

32. **Report on Children's Homes — By Rev. T. W. Allred:**

There are three homes: Mills Home at Thomasville situated on a beautiful campus and farm, totaling 600 acres. Two other farms are nearby with 325 acres. Mills Home has a capacity of 306. The second home established was Kennedy Home at Kinston, consisting of campus and farm which totals 1200 acres. Kennedy Home has accommodations for 165. The most recent home established is the Odum Home at Pembroke, located on a 50 acre tract of land and with facilities for 24.

In addition to this number receiving institutional care there are 132 in foster homes and 20 children in homes with their mothers with both groups receiving financial assistance. Approximately 825 children receive direct care each year. Resourceful case workers help scores of children to find places to live with relatives and other social service institutions. During the year more than 1,000 children are served either directly or indirectly.

Recognizing that there is no substitute for a child's own home, every effort is made to maintain a child's home-like atmosphere on the campuses. Children live in cottages with no more than 18 in any building. Each cottage is a separate unit, with its own living room, dining room, kitchen, and bedrooms. Cottage parents live in the buildings and are responsible for the daily care of the children.

The multiple-service Child Care Program of North Carolina Baptists as carried on by the Children's Homes requires steady and liberal support. Our people have been generous across the years - for this we are deeply grateful.

Sources of income for 1961:

Cooperative Program — 31.7%
Thanksgiving Offering — 33.3%
Designations and Once-A-Month Offering — 18.0%

Endowment, designated support of children,
and special gifts — 17%

The State Convention has placed upon the Homes responsibility of caring for an increasing number of children. Generous and consistant giving by North Carolina Baptists will make this possible.

33. On motion of Brother Allred the report was accepted to be printed in the minutes without reading. He recognized Rev. W. C. Reid, a former Superintendent and now retired, who spoke on the child caring program. As always, his remarks were well received.

34. **Report on Hospital — By Rev. Leighton Lewis:**

Our Hospital continues to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics - 78,000 visits to the Out-Patient Clinics, from 96 counties and 75,000 Private Clinic visits.

One of the newer services is the Progressive Care Unit opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. Patients are highly pleased with it. The Hospital's one regret is that it does not have money necessary to open it to Service Patients.

Also new is a type of unit for the sterilization of surgical and other equipment by gas. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors.

The need for enlargement of the Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our Churches greatly to enlarge their Mother's Day Offerings. The churches in Chowan Association average giving $1 for every $160 received into the church. In the light of the good our hospital is doing and its pressing needs, it would do well for each church to reconsider the amount you will give toward this cause next year.

35. On motion by Brother Lewis the report was adopted and filed for printing in the minutes without reading. Dr. A. L. Meiberg, a Chaplain at the hospital, spoke to the report.

36. **Report on Homes for the Aging—Rev. L. Lamar Wheeler:**

North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes - Resthaven, Hayes Home, and Albemarle.

With 130 people waiting for admission, lack of rooms is one of our most acute problems. We are definitely doing something about this situation. The Hamilton Home, now under construction is proof-positive. This Home

will be ready for occupancy by January, 1962. A debt of $275,000.00 has been assumed on this Home, and for completing liquidation of indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Gifts from the churches should, therefore, be increased greatly in order to meet the ever-increasing demands of the aging among us as quickly as possible.

The past year has been a good one. Twenty-six new residents have been received and are finding happiness, love and security.

The Special Day Offerings and gifts are running 17% ahead of last year's contributions.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

Another wonderful gift to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, and will open an avenue for four additional residents.

The Homes for the Aging need our support. We must pray for and continue to support them with our gifts. Remember that our Homes cannot go on without the love, the fellowship, and the support of North Carolina Baptist.

37. The report was on motion received and filed for the minutes.

38. **Report on Home Missions — By Rev. L. F. Smith:**

The work of our Home Mission Board is going forward on all fronts. Dr. C. C. Warren reports that of January 1, 1961, 11,817 new churches and missions had been started. Church extension goals for 1962 calls for the founding of 6,000 more missions.

A major share of the personnel and resources of the Home Mission Board are used in thirty states of the northern and western sections of the nation where Dr. Courts Redford reports that "We have 2,335 churches in these states where we had only 79 in 1940."

Hawaii Baptists have asked the Evangelism Division for assistance. A survey of Porto Rico is being made by the Home Mission Board of needs and opportunities among these islands of 2½ million inhabitants. Despite the tense relations between our country and Cuba, Baptist work there is growing. Revivals in the four provinces where Southern Baptists work resulted in 5,116 conversions, and gifts to the churches increased 20% to $210,649.00.

The Division of Evangelism has given a new emphasis to personal soul-winning and year-round evangelism. The division has promoted the Baptist Jubilee Revivals, an associational plan of simultaneous evangelistic crusades.

A home mission budget in excess of $4,000,000.00 (60% from the Co-operative Program and 40% from the Annie Armstrong offering) supported 2,035 missionaries during the past year. These workers reported 51,463 baptisms. The cities of Detroit, Chicago, New York, San Francisco, and Seattle are areas needing special efforts in financing new churches and missions. An allocation of $250,000.00 from the Annie Armstrong offering has been set

aside for loans to churches in these areas to purchase sites and buildings.

There are urgent personnel needs for Good Will Centers where work is carried on with Japanese, Russians, Spanish, and Italians. Mr. Glendon McCullough, personnel director, states, "We need more than 270 workers now to fill requests - some vacant for two years because qualified personnel have not been found."

39. On motion the report was accepted for the minutes without reading.

40. **Report on Foreign Missions — Rev. Charles H. Wellons:**

Numerically, we Southern Baptists are strong. With 32,251 churches, we boast of 9,731,591 members. Economically, we are rich, neither hungry or homeless. Each year we increase expenditures on more comfortable and luxurious buildings, paid professional help, and other local budget items.

In spite of our numerical and economical wealth, we are poverty stricken in foreign missions. Through the Cooperative Program, Lottie Moon Christmas offering, and designated gifts, we gave in 1960 only $1.78 per member to Foreign Missions. Out of a membership of almost ten million, we have less than 1600 missionaries in forty-six countries.

Four suggestions are offered here for the consideration of our churches:

1) Cultivate in each member a passionate concern for foreign missions.

2) Clear up misconceptions concerning the mechanics of our mission effort.

3) Stress a stronger financial support of foreign missions prompted not by duty alone but love.

4) Lead young people into an awareness of God's call and especially to specific missionary work.

41. On motion the report was adopted without discussion after reading.

42. Rev. Norman Harris led the congregation in singing More Love To Thee after which the Moderator introduced Mr. J. P. Morgan, State Training Union Secretary, who spoke on the Baptist Advance Program.

43. The Moderator complimented the host Church on its excellent entertainment during the day and summarized the great amount of business dispatched during the day. He then called upon Rev. W. C. Reid to close the afternoon session with prayer.

46. Report of the Promotional Secretary —

By Rev. Don C. Pryor:

Since this is not only the annual report of your Promotional Secretary for the year 1960-61, but also a terminal report, it is with a special sense of appreciation that the report is made.

For all of the many kindnesses extended during the years of service as your Promotional Secretary, please accept my humble and sincere gratitude. It would be impossible to call to memory and list fully all of the reasons for which I offer my thanks to you; however, please be assured that I am deeply grateful for every indication of Christian concern and cooperation from all of the past and present officers, members and pastors of the Chowan Association. It has been one of the greatest privileges of my life to serve as your missionary and you will always reserve a place of prayer in my life.

During the year just ended there have been many activities involving the churches of the Chowan Association. Two activities that have perhaps made the greatest impact on our association were the Schools of Missions and the Summer Mission at Kitty Hawk. A large number of our churches participated in the SOM, as some two dozen foreign, home, state and associational missionaries came into our Association and brought a renewed interest in missionary endeavor throughout the world. Scores of sermons and private conversations on the subject of missions were given, hundreds of lives were touched with the missionary message, and many rededications of lives to the Saviour were made during the week of the SOM.

Another missions project initiated during the year and one in which a large number of our churches participated was the Summer Mission at Kitty Hawk. This project became the first association-sponsored mission project in a great many years. It is felt that the effectiveness of this work will grow as more and more vacationers learn about it.

I am listing below a compilation of the activities which your Secretary endeavored to promote by personal contact, by address, through letters or the **Chowan Baptist Bulle**tin or through other news media during the 1960-61 Associational Year.

He presented to the former Secretary a gift from the Association. Brother Pryor thanked each and every one for the cooperation which he received during his years of being Promotional Secretary.

48. **Report on Relief and Annuity — By Rev. E. R. Stewart:**

The name was changed at the Southern Baptist Convention in Miami, and made official in March, 1961. It was changed from "The Relief and Annuity Board", to "Annuity Board of the Southern Baptist Convention." Baptists are urged to use the new name.

New members in all the Annuity Board's plans increased by nine percent over 1959, with the largest increase, 2,053, being in the "Southern Baptist Protection Plan."

Total Membership January 1, 1961 was 22,578. More than 4,000 churches participated and paying the 10% average participation of all the states was 63%. Benefits amounting to $2,745,613.00 were paid to more than 5,200 retired and disabled ministers and denominational workers or Widows during 1960. Since the Boards' beginning in 1918, it has paid out in benefits a total of $34,425,100.55.

Rev. R. T. Greene is Field Representative for North Carolina, and has his office at the State Headquarters in Raleigh — 301 Hillsboro Street. He should be invited to the various Associations and tell of the plan and its accomplishments. There are now fifteen Field Workers who serve 22 states in the Convention. All ministers should enroll in one plan or the other, and the churches pay ALL or a part.

The Administrative Officers of the Board are: R. Alton Reed, Executive Secretary; Floyd B. Chaffin and L. T. Daniel, Associate Secretaries; Fred W. Noe, Treasurer and Investment Director; Owen Henley, Assistant Director of Investments; and Mable H. McCartney, Registrar.

This is a wonderful institution, serving a great people, and doing it well.

49. The report was presented by Rev. Melvin J. Hughes for Brother Stewart. He announced that Brother Stewart was unable to attend because of illness. On motion of Brother Hughes the report was accepted for the record without reading.

50. **Report on Religious Literature — By Rev. J. L. Wiseman:**

Have you ever stopped to think that God chose to use "writing" as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinely-written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as Christians we obviously have a divine plan to follow. In 1961, this principle still holds true as we think of all the fine Christian literature being written.

When North Carolina Baptists think of their own literature, they naturally think of their state Baptist paper since 1833 — the **Biblical Recorder.** Down through the years, it has been the one connecting link among Baptists. Not satisfied to live in the past, though, the **Recorder** strives to convey its message in an attractive, appealing manner.

The **Recorder** is edited so it will be of interest to all North Carolina Baptists. Consider the many features each week — full page pictures on the cover, stimulating editorials, Life in the Churches, the Sunday School Lesson, the Family Page, changes in the churches, complete coverage of all Baptist news, numerous pictures, inspirational pieces, stories about your fellow Baptists, and many other articles too numerous to mention.

Circulation which is the highest in history continues to rise. At the present time it is more than 78,000, up more than 10,000 over a year ago. The goal for 1964 is 100,000 and the help of every church is needed to reach this goal.

At a workshop of Southern Baptist editors at Syracuse University this summer, the **Recorder** received high recognition from the Syracuse professors who praised it for its pleasing appearance and good content.

Even though the **Recorder** may be judged the outstanding paper in the Southern Baptist Convention, if you are not receiving it, you have no way of knowing what you are missing.

51. The Clerk stated that he had received the report from Brother Wiseman who was unable to attend and on motion it was accepted for printing in the minutes without reading.

52. Amendments to the Constitution as presented yesterday concerning Assistant Treasurer and Trustees were on motion adopted. Several messengers spoke in opposition to the proposed amendment to limit the sessions to one day and on motion the proposal was tabled.

53. Rev. Russell Willis led the congregation in singing Amazing Grace and There Is A Name I Love to Hear, after which Rev. Melvin J. Hughes, host pastor made announcements concerning lunch.

54. **Report on Christian Education —**
By Rev. Donald Stewart:

Our educational system must be sound; beginning at the home, church,

and community level, and continuing through college, and seminary. We stand at the crossroads of education - Christian or secular, or possibly both.

Our seven colleges enroll some 8,000 regular and 2,000 special students. Two-thirds of these come from Baptist homes. By 1970 we need to provide facilities for twice as many students as today. Today, three-fourths of our Baptist youth seek education in other schools. Here we are trying to meet the challenge through the Baptist Student Union.

Christian education must be sound in every area — a sound academic curriculum, distinct Christian philosophy, and an openness to truth.

We must make possible for our youth, who qualify, to continue their education so as to return as leaders and teachers for tomorrow.

Our Convention, the same as last year, only provides five per cent of the operating cost each year; students provide fifty per cent, and endowments and auxiliary enterprises provide the other. Our Convention for the last ten years has provided an average of $500,000 to help with capital outlay costs.

At the special Convention session on May 4, a report by a 21 member committee was given on how to meet the growing needs of our colleges. First, all regular Co-operative Program funds are to be freed for operational needs only, thereby doubling the present set up. This at the local level is an increase of thirty-five percent each year for three years. This necessitates the freezing of increases in other areas of our work. This will involve $800,000 for plant expansion and improvements, and $1,000,000 for new student centers at other colleges for our own youth. Let us join hands and hearts and,

1. Become informed, and concerned.
2. Encourage our best students to attend our colleges.
3. Pray for our work.
4. Support additional Co-operative giving.
5. Promote Christian Education Day in our churches.

55. The report was on motion adopted and the Moderator introduced Dr. Bruce E. Whitaker, President of Chowan College, who eloquently and effectively presented the purpose, the program and the needs of Chowan, our nearest Baptist College.

56. Following Dr. Whitaker's address the college choir, under the direction of Professor J. M. Chamblee, sang the following selections: Cast Thy Burden Upon The Lord, Come Ye Sinners, To Thee We Sing and Every Time I Feel The Spirit.

57. The morning session was closed with prayer by the host pastor, Rev. Melvin J. Hughes. The messengers and visitors fared sumptuously from the tables so graciously provided by the host Church.

WEDNESDAY AFTERNOON SESSION

Sawyer's Creek, October 18, 1961

58. Called to order by John M. Elliott, Vice Moderator and the congregation, led by Brother Willis, sang I Love Thy Kingdom, Lord. The Scripture reading and prayer was offered by Rev. Walter Hill.

59. **Report on Brotherhood — By Eddie Davenport:**

Baptist Brotherhood is the manpower of our churches. It's sole purpose is to support the churches, the Association and the denomination.

During this church year four new Brotherhoods have been organized for service and several new Royal Ambassador chapters have been added.

Since less than one-half of our churches have active Brotherhoods, we are seeking your cooperation and your support.

The Brotherhood program is Christ centered, church centered, mission centered and boy centered; enriching the fellowship among the men and the boys; increasing the interest and participation on the part of the men in the financial program of the church; keeping the fires of evangelism burning brighter; and transforming 'just members' into active, spiritual men in the program of the church.

We are happy to serve and trust that we may continue to work for the promotion of God's Kingdom through the activities and plans of the Baptist Brotherhood.

60. The report was on motion adopted.

61. **Report of Woman's Mission Union —**

By Mrs. T. O. Asbell:

There are 53 W. M. S's, 21 Y. W. A. organizations, 67 G. A.'s and 62 Sunbeam Bands in the Association. Good reports have been received from these organizations with an increase of two Y. W. A's, two G. A's and two Sunbeam Bands making a total of 150 youth organizations.

The Y. W. A. banquet at Shiloh, Intermediate G. A. banquet at Macedonia and the Junior G. A. banquet held at Hobbsville were all well attended with inspiring programs. Two Sunbeam day camps were held at Sawyer's Creek and Rocky Hock during Focus Week for the eight year olds (World Friends Group). These boys and girls enjoyed a day of Bible study, missions study, hand work, recreation and fellowship. We commend the directors of each group for their untiring work.

Our W. M. U. meeting was at Shiloh. Miss Myrna Jean Holcom, missionary on furlough from Reciefe, Brazil; and Miss Sarah Ann Hobbs, State W. M. U. Director, were our guests.

Missionary institute was held at Reynoldson and the Leadership Conferenee met at Corinth for afternoon and night sessions. Six of our Associational officers attended the State Leadership Conference at Fort Caswell.

Emphasis throughout the State has been on visitation of local societies by the Associational Presidents. I have visited many local societies and have traveled nearly 1000 miles during the last quarter alone in the interest of W. M. U. work.

All in all, our year's work has been most gratifying. We strive ever to do more in the future, ever realizing that there is much that needs to be done for God's Kingdom in the Chowan Association.

62. On motion of Mrs. Asbell the report was adopted to be printed in the minutes without reading.

63. **Report on Sunday Schools — By Clay Ferebee:**

Activities of the Associational Sunday School were increased during the

1960 - 1961 year to include three staff planning meetings and four quarterly Association-wide Teacher Training meetings. The first three of these clinics followed the same general program plan and were held at Center Hill with 54 present, Sawyers Creek with 75 present, and Creswell with 41 present. The increased number of clinics held throughout the Association resulted in approximately three times the number of persons being reached than formerly.

The final meeting of the year, the Annual Sunday School meeting, was held at the Sandy Cross Church and was quite successful with every department represented and 114 persons present. The Reverend Jack Bagwell, Associate in the State Convention Sunday School Department was present and conducted a conference for pastors and superintendents. Mr. Bagwell also brought the closing inspirational message for the meeting.

In the 58 churches of the Association there are currently 57 Sunday Schools meeting each week.

The Sunday School Department of the Association conducted a Vacation Bible School Clinic in the Spring and a high percentage of churches were represented. There have been 41 Vacation Bible Schools reported so far and this number does not include known but unreported schools. A request is made to all Pastors and Sunday School Superintendents to be sure all Bible Schools are reported to the State Sunday School Department as soon as possible.

On behalf of the Associational Sunday School officers, may we thank you for your help in trying to fulfill the theme of the year — "Outreach for the unreached." May we urge you to continue actively engaged in the regular study of God's Word.

64. On motion by Brother Ferebee the report was adopted for the minutes without reading.

65. **Report on Training Union — By Rev. Gordon B. Shaw:**

During the year the training union director, the Rev. Russell B. Cottingham, left the association and, as is the custom, the associate director, Gordon B. Shaw succeeded him in this position. Due to this, there is not much to report, as I have not received many reports from the churches.

On April 9, 1961 at the Warwick Church, the associational training union tournaments were held for the Adult Bible Reading, the Young Peoples Speaking, the Intermediate Sword Drill, and the Junior Memory Work. The winner in each of these tournaments represented the Chowan Association in the Regional Tournament at the Winton Baptist Church on April 10, 1961. In this tournament Mrs. Willie Joyner, our entry in the Adult Bible Reading, was the winner and went on to the State Tournament.

The annual Training Union Meeting was held on September 25, 1961 with the Hertford Church. In this meeting The Rev. Maurice Grissom, Pastor of the First Baptist Church in Elizabeth City, brought the inspirational message, and the officers were elected for the coming year.

According to the records at hand, there are twenty-eight churches with Training Unions at the present time and we feel that in the near future another will be organized.

66. On motion the report was adopted.

67. **Report on American Bible Society — By Rev. Frank Dinwiddie:**

In 1960 the American Bible Society reported the greatest upsurge in

history in the world-wide distribution of Scriptures for mission work. In this country more than 23 million volumes went forth, while over 9½ million volumes went out of the U. S. A. This was 62% above the average distribution level of the past 9 years.

The American Bible Society serves churches and mission boards of over 50 denominations as a non-profit organization. It is translating, printing and distributing the Bible in 75 countries on 5 continents. It also publishes the Bible in Braille for the blind, and in Talking Book records. In areas of prevailing illiteracy the Bible is provided on records with the Finger Phono, a small plastic phonograph operated with one finger.

The Methodists gave most to the Society's work, $151,934, with Southern Baptist gifts only $308 less.

In troubled Cuba more than 600,000 Scriptures were distributed last year, and a year's reserve supply has been built up there just in the event that further work there might be cut off.

The world's call for the Scriptures continues to mount, and to meet it the Society's budget for 1961 is a record $4,300,000, which is still insufficient for the entire demand. This need must be met by the giving of God's people through their churches as they express the belief that for all mankind "the entrance of Thy word giveth light".

68. On Brother Dinwiddie's motion the report was adopted for the minutes without reading.

S. R. MOORE, Jr., Treasurer

This is to certify that I have Audited the books of S. R. "Bob" Moore, Treasurer of The Chowan Baptist Association for the Associational Year Ended 9-30-61, and find same correct as stated in the above report. I find the records are intelligently recorded, and wish to take this opportunity to commend Brother Moore for a big job well done.

Respectfully submitted:
D. S. MORGAN, Auditor

70. On motion the report was accepted and on motion it was decided that in the future the honorarium for the Treasurer would be paid from the General Fund rather than the Minute Fund.

71. On motion we encourage the churches to continue contributions to the General Fund during the interim of not having a Promotional Secretary in order to build up our balance so that when one is secured we will be able to support him.

72. **Report on State Missions — By Rev. Norman B. Harris:**

The population of North Carolina is expected to increase from its present 4,600,000 to 6,300,000 by 1980. Of the 4,100,000 above eight years of age 2,000,000 are unchurched. By 1980 the percentage of the white population of North Carolinians holding membership in Baptist Churches is expected to rise from the present twenty-five percent to twenty-nine percent. There are, and probably will continue to be, more Baptists per square mile in North Carolina than in any comparable area in the world.

Because our people need to be taught and trained, much State Missions work is worked through the Sunday School, Training Union, Brotherhood, R.A.'s, Church Development and Church Music Departments.

Through State Missions we support: (1) Fruitland Bible Institute which enrolled 160 pastors last year (2) Mars Hill where 500 attended refresher

courses last summer (3) a Baptist student program among 24,000 Baptist students in institutions of higher education (4) work among North Carolina's silent people - Jerry Potter, State missionary (5) Caswell and Fruitland Assemblies - attended by approximately 8,000 people last summer (6) summer student work (7) ministry through service institutions (8) separation of Church and State and (9) Seminary Extension Centers.

Other areas of need constantly challenge the resources of State Missions: (1) lot and pastoral aid request for which in 1961 amounted to $170,000 (2) the Christian Action League (formerly, Allied Church League) which promotes sobriety and sane citizenship in North Carolina and (3) the development of Associational Missions in which state missions invests $65,000 annually.

We must see the multitudes as Jesus saw them - lonely, bewildered, doomed and without hope. We must remember that our entire resources and whole beings are to be linked to the standing command "Ge ye into all the world and preach the gospel to every creature". Because through State Missions we are fulfilling in part this command, let us support this work with our resources, our prayers and our talents.

73. On motion the report was adopted.

The Missions Committee recommended that the Churches adopt a goal of $1.15 per member to meet the proposed unified budget. The Executive Committee endorses this recommendation and recommends that the Association adopt this proposal. The Committee encourages each church to prayerfully consider increasing their contributions to the Associational Missions Program.

Authorized the Trustees and other officials of the Association to make applications for loans for Chowan Chapel, pending action of the Association relative to the recommendations of the Missions Committee.

The Committee approved the recommendations of the Missions Committee that:

A. The Nags Head Church and Chowan Chapel at Kitty Hawk be served by one pastor.

B. The Chowan Association and Division of Missions of the Baptist State Convention cooperate with the Nags Head Church in providing financial assistance for the joint endeavor.

C. A lot be purchased at Kitty Hawk and a Chapel building be erected. The Executive Committee recommends that the Association adopt this forward movement.

The Executive Committee expresses its deep appreciation for the fine service rendered by the officers and committees of the Association and to the Churches for their generous contributions.

13. On Motion the report was adopted.

14. Rev. Robert S. Harrell, Promotional Secretary, gave a progress report on the campsite. He stated that the Brotherhood had assumed responsibility for raising money for construction of the road to the site which will cost some $2,500.00 to $3,000.00, and that a friend has secured from the State Highway Department some discarded pipe which can be used to a good advantage and is worth a Thousand Dollars. He showed color slides of actual camping at other places where he has been and worked with young people.

15. All Hail The Power of Jesus' Name was sung by the congregation, led by Brother Faircloth.

16. The Moderator presented Dr. Bruce Whitaker, President of Chowan College, who in turn introduced Mr. Bill Rhoden, Director of Development at the college and Dr. Gilbert T. Stevenson. Dr. Stevenson, a friend of the college, spoke to the Association on the need of general endowment.

17. The college choir, under the direction of Prof. James Chamblee rendered three numbers to the delight of everyone present.

18. Rev. K. C. Bryant, a former pastor in the Association and now Clerk of the West Chowan Association, announced that his

Association would convene on Tuesday and Wednesday of the following week and invited any of us who could to be with them.

19. Following announcements by Rev. Henry V. Napier, host pastor, concerning lunch, Brother Faircloth led the congregation in singing Take Time to be Holy; and, according to the revised order of business, Rev. Thurman W. Allred, pastor of the Rocky Hock Church, led in special prayer for the leaders of the nation particularly with respect to the present Cuban crisis.

20. The worship service then followed consisting of Scripture reading and prayer by Rev. Thomas D. Austin, solo by Mrs. W. L. Winslow, and sermon by Rev. Maurice W. Grissom. Theme of the sermon was: "The True Marks of Distinction in the Christian Church." Following the sermon Brother Grissom offered thanks for the food to be served and pronounced the benediction.

21. The host church served a bountiful and delicious lunch on the grounds.

TUESDAY AFTERNOON SESSION

24. **Report of Missions Committee —**

By Rev. P. T. Bailey:

The work of the Missions Committee this year 1961-62 has been most gratifying and challenging. Your committee met on numerous occasions to seek solutions to problems that faced our work. Under the leadership of our Promotional Secretary much has been accomplished in our association this year. The following are a few highlights of our work:

(1) Made a special plea to the churches of the state and association to send food, clothes, and money to assist those who suffered the tragedy of the ash Wednesday storm. The response was overwhelming.

(2) Secured another meeting place (site) for the Chowan Baptist Chapel. This was done by leasing the Outer Banker Restaurant and apartment for $1500. This proved to be an adequate place for our ministry in Kitty Hawk this year. This work was successful from the standpoint of interest and attendance.

(3) Secured a summer Mission Worker and teachers to assist in the work at Kitty Hawk. The Mission Worker was sent to us by the Home Mission Board but was too immuture to cope with the problems of a beach ministry. Pastors volunteered to take a part of their vacation to conduct services at the Chapel on Sundays and care for the building during the week. The Missions Committee is grateful to both pastors and teachers who assisted in this work.

(4) A serious crisis arose in the Nags Head Baptist Church in the early summer. The Missions Committee was asked to assist in this matter as advisors. We are happy to report that the work is developing fine under the leadership of an interim pastor from Southeastern Seminary. Please continue to pray for this most needed ministry.

(5) The Missions Committee, morever, supervised the work of Associational Missions until a Promotional Secretary was secured. The committee was greatly pleased with the calling of Rev. Robert Harrell as our new Secretary of Promotion. He has worked in perfect harmony and close association with the entire program of Associational Missions.

Our prayer is that the 1962-63 Baptist Year will prove to be a great and fruitful year for our work in the area of Associational Missions. To this end the following recommendations are presented for our adoption:

I. That the following resolutions be adopted by the Chowan Association. They have already been approved by the Executive Committee and the Nags Head Baptist Church.

1. That the Nags Head Church and Chowan Chapel at Kitty Hawk be served by one pastor.

2. That the Nags Head Church serve as sponsor of the Chowan Chapel.

3. That the Chowan Association and the Division of Missions of the Baptist State Convention of N. C. co-operate with the Nags Head Church in providing financial assistance for this joint endeavor.

4. That the Missions Committee and the Promotional Secretary of Chowan Association work with the Pulpit Committee of the Nags Head Church in securing a pastor and in assisting the work where needed.

5. That providing this plan meets with the approval of the Nags Head Church and the Chowan Association, representatives of the Nags Head Church and the Missions Committee of Chowan Association work out the details of this endeavor including budgets and other matters pertaining to the work.

II. That a lot be purchased at Kitty Hawk. An option has already been granted on eight (8) lots on the west side of the highway 158, lots totaling 200' on Highway and 375' deep and costing $5,000.

III. That a suitable building be erected on the said property and that plans be made immediately to erect such a building for our work the summer of 1963.

IV. That the name of the Chapel be changed from **Chowan Baptist Chapel** to **Kitty Hawk Baptist Chapel.**

V. That the following Proposed Budget for 1962-63 be adopted:

He called upon several members of his committee to present the various aspects of the report. Brother Bailey praised the work of our Promotional Secretary and upon his motion the report was adopted.

26. Rev. Melvin J. Hughes proposed the following amendments to the Constitution:

Strike out "twice each year" and insert "once each quarter." After the word "least" to read that 'The Committee shall meet at least once each quarter."

27. On motion by Brother Dennis Morgan it was ordered that the constitutional requirement: ". . . provided notice of the proposed change or amendment shall have been made available, in writing, for the messengers present on the first day of the annual

meeting" be waived so that the proposed amendments may be voted on tomorrow.

28. The Moderator introduced Dr. C. C. Carpenter, Dean of the Medical School of Wake Forest College, who brought greetings from the college.

29. Rev. Roland Pruitt, pastor of the Murfreesboro Church and a member of the Council on Christian Higher Education, spoke briefly but interestingly on that program of the State Convention.

30. Rev. William Poole, General Superintendent of Baptist Homes for the Aging, brought a message upon the work being done at the homes and introduced Mrs. Lacy Vines, a resident of the Hamilton Home, who related how happy she was at being a resident there.

31. Upon motion of Rev. P. T. Bailey, pastor of the Berea Church, the Clerk was instructed to send a telegram to the President of the United States assuring him of our prayers and support in this crucial period of United States and world history. The following telegram was sent by the Clerk:

> The Honorable John F. Kennedy, President of the United States
> White House, Washington, D. C.
>
> The Chowan Baptist Association consisting of 450 messengers and ministers, in session yesterday at Center Hill Church, near Edenton, North Carolina, representing forty-eight churches and over 15,000 constituents, pledged to you our prayers for divine wisdom, guidance and support in this crucial period of United States and world history.

WEDNESDAY MORNING SESSION

Macedonia, October 24, 1962

33. The morning session began with the singing of Holy, Holy, Holy by the congregation and the devotional of Scripture reading and prayer led by Rev. Gordon B. Shaw, host pastor. Brother Shaw extended a hearty welcome on behalf of himself and Macedonia Church.

34. Messengers and ministers not present the previous day were enrolled and the Moderator extended a welcome to visitors.

37. Rev. C. W. Bazemore, Associate Editor and Circulation Manager of the Biblical Recorder, brought an encouraging message on Christian Literature.

38. The proposed constitutional amendments introduced the previous day by Rev. Melvin J. Hughes were read by him and he moved for their adoption. Rev. Don C. Wagner proposed an amendment to the motion to include the officers of the Associations and that the Moderator be the Chairman. After considerable discussion by several ministers - both pro and con - the motion for adoption was upon motion by Rev. W. S. Brown tabled until the next session. His motion called for a committee to make a study of the proposals and report at the next session. The Moderator stated that he would announce the committee within a short time.

39. **Report of Promotional Secretary —**
Rev. Robert S. Harrell:

First, I would like to express my sincere gratitude to the Association for extending to us the invitation to return to our native community as your Promotional Secretary. On the basis of these seven months thus far, I can honestly say that I have never been happier in the Lord's work. This is not to say that every problem has been solved, or that the work has been done with the effeciency and promptness which you have a right to expect. It is to say that there has been full cooperation on the part of those with whom we have worked.

I am especially grateful to our moderator, W. C. Harrell, for his interest in the Lord's work and particularly in our Association; to P. T. Bailey, chairman of the Missions Committee, who has given himself unreservedly, often until the midnight hour, to his responsibilities; and to Dennis Morgan, one of the most efficient treasurers anywhere to be found.

REPORTS OF STANDING COMMITTEES

W. M. U. — By Mrs. T. O. Asbell:

As this another associational year draws to a close, we are grateful for the blessings that have been ours during '61-62.

We have shared in the explorations of the campsite and are looking forward with a great deal of enthusiasm to the development of Camp Cale. We realize the desperate need of such a camp in the Chowan Association.

The Sunbeam Day Camps were a joy to the eight-year olds, as well to those who had a part in the program. Miss Delois Hamrick, State Sunbeam Director, met with the workers and helped with the planning for the camps. The Mexican theme was used, the same as last year. We were grateful for her help. There were three of these camps: July 10, Coinjock (49 present); July 11, Bethel (109 present); July 12, Creswell (10 present). The attendance was one hundred per cent gain over last year.

Three of us attended the State WMU Convention in Asheville in March.

I have visited many missionary societies this year. One society had never been visited by an associational officer. The results was that a large group came to the annual WMU meeting. We realize the personal contact is needed in our large association.

In observance of Woman's Missionary Union's seventy-fifth birthday this coming year, we are preparing for this observance by taking time to pray . . . "Prayer Retreats". There have been three held to date. Reynoldson, Ballard's Bridge, and Rocky Hock. Many more are planned for next year.

Our reporting system changed this year. The progress report was sent in April 5; final or annual report, September 30. There are 3,891 members of WMU; 188 YWS's; 695 G.A.'s; 741 Sunbeams. Total of 5,515 enrolled in the association. We pray that many more may be enlisted as we approach the birthday of WMU - 1963.

Baptist Children's Homes — By Rev. Francis L. Cordrey:

This report is dedicated to your concern for the Baptist Children's Homes of North Carolina. There are three homes; Mills Home at Thomasville, The Kennedy Home at Kinston and the Odum Home at Pembroke.

Today's children will become tomorrow's adults who will shape tomorrow's world. Few if any task takes more prominence and importance than helping a child, hurt by life to grow into healthy, well-adjusted, responsible citizens. This is the responsibility of these homes, to meet the needs and solve the problems of those who have lost the security of home and parent.

During the past year, 848 boys and girls were served by these three homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these—leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Sources of income for 1962:

Cooperative Program	33%
Thanksgiving Offering	30%
Once-a-month Offering	16%
All Other	21%

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existance, being 30%. We sorely need an increase of one Hundred Thousand Dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends, the churches and individual subscribers of Charity & Children, whose genuine concern for the welfare of our children makes this help possible.

Evangelism — By Rev. William S. Brown:

It has been said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had a number of these. This is a total revolution and it can be met with a degree of success only as there is total dedication on our part to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commen-

dable contribution through our local church, our Association, and our Convention.

In an effort to work toward a more dynamic program of evangelism in the Chowan Association, two meetings were held in the last year. An associational clinic led, by Dr. Julian Hopkins and Mr. Gary Harthcock from the State Convention's Department of Evangelism, was held at the Hertford Baptist Church. A special exploratory conference was held at the Woodville Baptist Church.

Your Chairman of Evangelism was one of a group of sixty pastors who met in Greensboro in January seeking to find ways to augment our total efforts in evangelism. Out of that special conference, I feel, will come plans which will mean much to the churches of our state.

In the months ahead we will observe Soul-Winning Commitment Day, January 6, 1963. February 11 - 13, 1963 are the dates for the State-wide Evangelistic Conference in Greensboro. Each church should send its pastor to this. On July 2 - 4, 1963 there is to be a Convention-wide Evangelistic Conference in Dallas, Texas.

All things point up the need for full committal to Christ in His redemptive purpose NOW. Nothing less than this is enough. In fact, nothing less than this has ever been enough.

State Mission — By Rev. Irvin Hugh Acree:

The mission enterprise of the Christian church is dedicated to the task of taking Christ "unto the uttermost parts of the earth." Because we recognize that missions must begin in the local situation, the North Carolina Convention supports a Division of (State) Missions consisting of seventeen ministries. These ministries include: Church Development, Interracial Cooperation, Fruitland Bible Institute, Ministry to the Deaf, Seminary Extension Program, Cherokee Ministry, Military Personnel, Associational Missions, Institutional Ministries, Special Summer Mission Work, Pastors' Schools, Schools of Missions, Pastoral Aid, Church Lot Aid, Church Loans, 30,000 Movement, and Work with Japanese.

You, the individual Baptists, have a vital part in these ministries if your church contributes to the Cooperative Program. In 1962, 3 and 6/10c out of every Cooperative Program dollar or $130,055 went to the support of the Division of Missions. By our gifts we helped to support: 1) Schools of Missions which reached approximately 200,000 people. 2) Seminary Extension Centers in the western part of the state which reached 480 pastors, Sunday school teachers, and other church and associational leaders. 3) Fruitland which enrolled 170 men, mostly adult pastors without formal college and seminary training, for 24 weeks of training under a faculty of eight. 4) And summer missions including our own work at the Nags Head Chapel.

If we are to do the mission work needed in our state in 1963 we must inform ourselves of the important contributions being made to the Lord's work through State Missions, and support these ministries sacrificially. When history records its evaluation of our association 1963 let us pray that it may be able to say that we saw the challenge of State Missions, that we dreamed dreams and saw visions of what could be done, and most important that we DID SOMETHING ABOUT IT.

Home Missions — By Mrs. O. C. Long, Jr.

The area of Home Missions is largely the 50 states which comprise the United States of America. Within this geographical area there is a population of over 185,000,000 souls. Only 60% have affiliation with any religious body. That means that more than 100 million Americans have not been born again! For the work of Home Missions this is a great challenge and a sobering responsibility. What is being done to meet this challenge?

More than 1950 missionaries are serving with the Home Mission Board, with approximately 1,107 serving with language groups ministry working with Spanish, Indian, French, deaf, Chinese, Japanese, Italian, Russian, Korean, Portuguese, Czechs, migrants, and international students, as well as in Cuba and Panama. Along with this work, there are numbers of directors and teachers engaged in work with millions of American Negroes, endeavoring to help them help themselves through trained leadership.

The Home Mission Board is endeavoring to take larger strides in the direction of cooperative missions in which the Home Mission Board, state convention and sometimes associations, join in the support of the work of winning and conserving people for Christ.

We need to see the picture of the Pioneer mission movement - an effort to plant churches and develop programs in the states where Southern Baptists have only recently begun work. This work is being undertaken mainly within 29 states where there is a population of 92 million plus and only 1800 Southern Baptist churches. Eighty-three missionaries and 200 mission pastors receive support from the Home Mission Board to serve in this area.

Another new area of work which is only in its beginning stage, is in the field of literacy. There is a great need for advance in this area.

The evidence of need for advance in the total Home Missions program is clearly before us. What is actually done to meet the challenge will depend upon the interest manifested by the local church and congregation and the support which is given by them to the missions enterprise.

Foreign Missions — By Rev. Warren L. Rollins:

The latest appointment service for foreign missionaries was held at Glorieta Baptist Assembly, at which 17 candidates were appointed for overseas service. These appointments bring the active foreign missionary staff to 1,598, serving in 51 countries: preachers, theologians, nurses, teachers, agronomists, technicians, publishers - but, primarily, interpreters of God's redeeming grace. They confront tremendous needs; they are weighted with heavy responsibilities; they are overwhelmed with innumerable opportunities.

Even though we have a larger number of missionaries on the field than ever before it is a mere handful to get across the message of Jesus Christ to millions and millions of people who have never heard of his saving grace. Last year 751 personal requests were made to the Foreign Mission Board. These requests included 20 types of missionaries. Over half of the requests were for preachers and their wives. The need for men called and trained to preach the gospel grows daily more acute. If the number of missionaries could be doubled immediately it would be far too few for a denomination of ten million members.

Our churches can help to speed the missions effort by:

(1) Preaching and teaching missions as never before.

(2) Praying as though all depends upon God and working as though all depends upon us.

(3) Contributing a larger portion of our budget to world missions through the cooperative Program and Lottie Moon Christmas offering.

(4) Encourage our young people to earnestly seek Divine guidance for their lives, and, if so led, to gladly devote their lives as foreign missionaries.

Relief and Annuity — By C. R. Vann

"Even so hath the Lord ordained that they which preach the gospel should live of the gospel" I Corinthians 9:14.

Since Jesus called the twelve and ordained them to go forth to preach, this scripture taught by Paul has been the divine principle for a minister's income.

Today, the church gives a salary, usually a parsonage for ministerial duties. Should provisions for disability, old age or widows aid when the pastor dies not be a part of this also? It most certainly should and it is the responsibility of each church to see that this protection is provided.

The benefits of this plan are equally important to the church and to the pastor. It will relieve the pastor's anxieties and fears about the further welfare of his family, and enable him to devote all of his energy to his church work. Your church will be protected against the heavy financial burden of supporting two families in the event of disability, death or retirement of your pastor.

The latest report from our State Convention shows that only twenty-two churches in our Association are participating in this plan. If your church is among those without this protection we urge you to give serious consideration to this plan. It will be gratifying to know that you have provided a measure of security to both your pastor and your church.

Temperance and Morals — By Rev. Walter F. Hill:

People today are free to do as they please without fear of social ostracism or even condemnation to a degree never before known in America. As a result, Christians are being challenged today as never before to fight intemperance and moral laxity in all areas of life. We dare not yield to these conditions as they are, nor withdraw into an exclusive fellowship. We must realize more fully than ever before that we are our "brother's keeper" and that being concerned for others is a vital part of our Christian stewardship.

We now have more than sixty-five million Americans who regularly use alcoholic beverages. Within this group there are more than eight million people who are already enslaved by the drink habit. In modern America, one out of every eight users of alcoholic beverages eventually becomes an alcoholic. Almost half a million new alcoholics will be produced this year in America, and added to those we already have.

Divorce and remarriage have reached such alarming proportions that we have virtually a new form of polygamy created within the framework of our society — successive polygamy.

Our newsstands are flooded with lurid magazines filled with horror, crime, sex and unbridled passion, and with minute details as to how these evils may be reported.

These frightful conditions are being cultivated within our own local communities. Our homes, our schools and our churches must bear their part of the blame for them.

If we expect to improve and correct this situation, we must get into action right where we are and work faithfully and tirelessly there for the spiritual, moral, social and civic betterment of mankind.

Let us remind ourselves of Psalms 11:3. "If the foundations be destroyed, what can the righteous do?"

Sunday School — By Paul Faircloth:

The Associational Sunday School organization has attempted to place the emphasis upon training the leadership in the local church during the year 1961 - 1962.

The only associational meeting sponsored by this committee was the Vacation Bible School Clinic held April 11 at the Hertford Baptist Church. This meeting was well attended by representatives from most of the fifty-eight churches in the Association. At the clinic state workers presented improved methods and techniques of teaching in the Vacation Bible School.

On September 3 our associational officers met with representatives of the State Convention to set aims and goals for the coming year. The associational officers met October 1 for further training related to their duties.

There are fifty-seven churches with Sunday Schools in our Association. Of the reports of the Vacation Bible Schools nearly one hundred pupils attended Bible School who were not enrolled in Sunday School; nearly fifty professions of faith and seventeen dedications.

It has been a successful year but the following year offers many opportunities for the Sunday School's "outreach for the Unreached."

Training Union — By Chas. W. Overman:

During the year we have had thirty churches with training union work. Generally, directors have been quite lax in submitting quarterly reports. The associational officers met quarterly with the executive committee meeting additionally as needed.

On Monday evening, December 4, the annual "M" night was held at Blackwell Memorial Church. There were approximately 200 present from sixteen churches. The monthly emphasis for 1962 were exemplified. Rev. Ralph Harrell, missionary on furlough, was principle speaker.

On Saturday evening, April 7, the annual Youth Night was held at Corinth Church. The attendance was approximately 160 persons from twelve churches. The program was conducted by the young people. Two youth groups rendered special music. Mr. Virgil McBride of Chowan College brought an excellent youth message. A fellowship hour with refreshments and entertainment followed the program.

On the afternoon of April 8 at the Woodville Church the Associational Tournament was held. In Junior Memory work there were eight participants from three churches. Intermediate sword drill had six participants from four churches. There were two young people speakers from two churches. The adult Bible readers competition consisted of four participants from four churches. Tournament winners competed in regional and area competition.

The Chowan joined with the West Chowan Association in their regional meeting at Berea Church on April 13. Our attendance was good.

An associational training-planning clinic was held on September 3 at

the Edenton church. This was under the direction of Rev. Sam O'Neal, State Associational Training Union Director.

At Macedonia Church the annual meeting was held on the evening of September 4. The 91 present included seven pastors and five directors from about 14 churches. Rev. Maurice Grissom brought a very inspirational message. Officers elected for the coming year were: Pastor Advisor, Rev. W. C. Brown; Director, C. W. Overman; Associate Director, Rev. Sam Harvey; Secretary, Mrs. Fred Keeter; Music Leader, Billy Jackson; Organist, Larry James; Adult Leader, Jimmie Yates; Young People Leader, Reid Overman; Intermediate Leader, Mrs. B. Frank Bray; and Junior Leader, Mrs. T. W. Allred.

Social Action — By Rev. Maurice Grissom:

Today the most acute need for the application of Christian ethics and social actions is in the area of human relations. Therefore, we must determine to concentrate our attention on this area. We recognize that to be Christian any approach to social problems must be grounded on sound doctrine and our faith must ever be affirmed in the living God, who is creatively and redemptively at work in the world. We must view our lives, and the lives of all men and nations, as being lived under His judgement. We must express our confidence that the source and pattern of Christian thought and action are discoverable in their disclosure of God in His Son, Jesus Christ our Savior and Lord. In our desire for consistency, order and proper activity in the advancement of the Christian gospel, we confess our need of submitting ourselves constantly to the inspirator, correction and guidance of the Holy Spirit who is able and willing to lead us into all truth.

Three areas which ought ever to command our attention in human relation are as follows: 1) Alcoholism - This enemy is growing at a rapid rate of speed. The consumption of alcohol is greater than ever before and there seems to be no end to its rise, unless the children of Christ shall help to loose the demon portrayed; 2) Politics - the acuteness of our politics dilemma can only be understood and alleviated when the Christian church shall take advantage of its opportunity to have a voice in the democratic process. Prayer must undergird each one who exercises the right of voting; 3) Crime - F. B. I. director J. Edgar Hoover gives more than a statistical emphasis when he reveals his personal concern in the rise of major crimes. Instead of fretting about our youth, parents should awaken to their responsibility in exemplary action and living that the pattern towards the wholeness and completeness of life may ever be portrayed.

Each of us must interpret our Christianity in terms of helpfulness toward our fellowman, else we forfeit the favor of God upon our witness in the ends of the world.

Christian Education — By V. L. McBride:

It is well for the Baptists of the Chowan Association to become more aware of their contributions through the seven Baptist Colleges. All seven opened in the fall of 1961 with their largest enrollment: Campbell, 1,429; Chowan, 752; Gardner-Webb, 611; Mars Hill, 1,099; Meredith, 778; Wingate, 912; Wake Forest, 2,866; making a total of 8,447. Of this number, approximately two-thirds were Baptists. About one out of eight were preparing either for the ministry or some church-related vocation. They constitute our denominational leadership for tomorrow.

Campbell added the senior class for the current academic year, Mars Hill added its junior class. Wake Forest is continuing its effort in the direction

of graduate work. Meredith serves as an excellent senior college for women. Gardner-Webb and Wingate continue to serve as junior colleges. Chowan continues to serve this part of the State as a junior college.

The total operating budget of the colleges is about $12,000,000. The past year has seen a strengthening of faculties. In every case they have sought to raise faculty salaries to attract the finest and best qualified teachers. Additional faculty members have been added to meet the demand of growing student bodies.

The State Convention is in its first year of Christian Education Advance Program. Under this program each church is asked to increase its gifts through the Cooperative Program 35% for 1962, 1963 and 1964. Thirty percent of this amount is to go to the colleges and construction of student centers on non-Baptist campuses. Some 400 to 500 churches have made this increase in 1962.

The future of Christian education in America is at stake today. With increased state and federal aid to higher education, more and more students will attend state institutions. Our taxes will grow correspondingly higher. These state colleges by their very nature cannot perform the task of Christian Education. A Christ-oriented education must always be provided by the church. Baptists would be the last group to ask the State to teach religion for them. Into this expanding sea of secular education Baptists must choose to give witness to our faith. Let us undergird and strengthen our institutions that they may do their work and do it well. Visit them, invite the students and faculty into your church to conduct services, encourage your finest students to attend, pray for them and observe Christian Education Day, Father's Day, in June.

Baptist Homes For The Aging — By Rev. Francis L. Cordrey:

Mr. William A. Poole, now general superintendent of this work, reports that the past year in our N. C. Baptist Homes for the Aging has been one of great blessing.

Of unusual significance has been the opening of our fourth Home, The Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four homes - Resthaven, and the Hays Home in Winston-Salem, The Albemarle Home, at Albemarle, the Hamilton Home at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elder person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must con-

tinue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

46. The reports having been printed in advance and distributed on Tuesday were reviewed by Rev. Don C. Wagner, Chairman of the Committee on Order of Business, and upon his motion, were adopted and ordered included in the minutes.

47. Brother Gene Hooks, Associate Professor of Physical Education at Wake Forest College, spoke briefly on the work at the college.

MISSIONS COMMITTEE REPORT

The work of the Missions Committee this year (1962-63) has been very active. Your committee met on numerous occasions to seek solutions to problems that faced our work. We are happy to report that progress has been made in various phases of associational work. The following are some of the accomplishments of the year:

1. Leased again the Outer Banker Restaurant and Apartment for $700. This location for the Kitty Hawk Chapel while not the best proved to be adequate. Attendance was better than last year. We had an average of 40 in Sunday School and 59 in the worship services. The success this year can be attributed to several factors. Namely, Rev. Albert Bishop's ministry as the pastor; Mr. Alvin Sawyer's devoted work as the Superintendent of the Sunday School; and the excellent participation of the Sunday School workers from the churches of Chowan Association.

2. Lots were purchased for $4,000 at Kitty Hawk. These 8 lots totalling 200' on highway and 375' deep are located on highway 158 west side. We wish to send words of appreciation to the State Mission Board for investing $1500 on these lots and $500 in the work on the beach.

3. We wish to report that the Unified Budget adopted last year by you has been highly successful. Area budget promotion meetings were conducted throughout the Association by the Promotional Secretary, the Moderator and the chairman of the Missions Committee.

We are delighted to hear that many churches have agreed to contribute to the budget for 1963-64 the recommended amount which is $1.15 per total member. We are sure that other churches will be encouraged to give the amount of $1.15 this year.

In 1961-62 Baptist Year we received a total of $9,765.57 from the General Fund, Minute Fund, the Kitty Hawk Fund and the Camp Fund.

This year 1962-63 under the Unified Budget system of financing we received a total of $11,538.19. This is a very healthy increase.

4. We wish to commend Rev. Robert Harrell, Promotional Secretary, for leading us in a successful ministry and program this year. He instituted a plan by which he could be available to all the churches throughout the entire association. He traveled many miles to the various areas of the Association to minister to the total needs of our churches.

5. The Missions Committee along with the Promotional Secretary assisted Nags Head Church and Kitty Hawk Chapel in securing a pastor.

6. In closing this report the committee would like to remind you that the future holds a tremendous challenge to Chowan Association. There are other phases of work that demands our attention namely: (a) New mission stations in a growing population (b) Challenging ministry with the many migrants that work in our area (c) Mission Vacation Bible Schools with Negroes (d) Seminary Extension Centers to better equip our pastors and laymen (e) Literacy Workshops to train our citizens to read that they may be better informed and to enjoy the advantages that they do not have.

Respectfully,
P. T. BAILEY, Chairman

8. Brother C. S. Vann gave a verbal progress report on Chowan Chapel. He submitted plans and proposals for raising approximately $17,000 for erecting a building. The Association to act officially the following day. Revs. Robert S. Harrell and P. T. Bailey also discussed the project. See official action taken on Wednesday morning.

9. Brother Faircloth led the congregation in singing Onward Christian Soldiers.

10. Rev. Robert S. Harrell, Superintendent of Missions, gave his report, also the report of the Campsite Development Committee, and on motion both reports were adopted.

REPORT OF SUPERINTENDENT OF MISSIONS

During the past year your Superintendent of Missions has made a serious attempt to "promote the general welfare of the churches" in this association. This has included the promotion of our denominational program; counseling with pastors, lay people, and churches in the various problems and situations which have deserved attention; preaching almost every Sunday somewhere in our association; preaching in revival meetings; speaking on Wednesday evenings and at other times for the purpose of interpreting our associational program; working with the officers and committees of our as-

sociation to assist in the discharge of responsibilities and assignments; and assisting in leadership conferences and Schools of Missions across our state.

There are some encouraging signs about our work. In attendance and in leadership, the Kitty Hawk Chapel had its finest summer. There is a noticeable increase of interest in the development of our camp. The quality of pastoral leadership in our churches is certainly to be appreciated. The increased financial support for the work of our association is to be commended. Above everything else, however, there seems to be a growing awareness of the strategic role of the association in our total Baptist life and witness, especially in the realm of missionary outreach. Perhaps the light of God's truth is beginning to break through as we realize that our true worth to His Kingdom is to be measured in terms of a quality of life which issues in Christian witness.

As we look to the months and years ahead, I would like to join with the Missions Committee in suggesting that we give serious attention to these four major areas of need:

1. Mission Vacation Bible Schools with Migrants and others as needed.
2. Fuller cooperation with the Albemarle Council on Migratory Labor in extending our helping hand in the work with Migrants.
3. Surveying certain areas of our association for the purpose of establishing new churches.
4. Establishing Seminary Extension Centers for both pastors and lay people.

There is one further matter which deserves our most prayerful attention. Recent studies by competent authorities have shown that our churches are woefully lacking in providing adequate salaries for their ministers. It is not right that a minister should live under a heavy financial burden all of his life simply because he is a minister. If your minister drives as much as 15,000 miles a year, his automobile expenses alone run a minimum of $1200. It is my sincere hope that our finance committees and deacons will move with great dispatch to bring their pastor's salary in line with contemporary living expenses.

In these and other matters, may we know God's favor and blessing as we continue to minister in the name of our Lord.

Respectfully,
ROBERT S. HARRELL

REPORT OF THE CAMPSITE DEVELOPMENT COMMITTEE

The deed for the campsite (50 acres) has been transferred from Mr. Cale to the Chowan Baptist Association. Mr. Cale has generously agreed to deed an additional 25 acres adjoining the present site to the Association after January 1, 1964.

Construction on the camp road was begun in early summer using mostly volunteer labor from our churches. Under the supervision of Mr. R. C. Bunch of the First Baptist Church, Elizabeth City, the right of way was cleared and drainage pipe was put in place.

At this point it was suggested that we petition the State Highway Department to enter the road in the county system, which if approved, would assure the completion and maintenance of the road. It is to be hoped that full clearance will be granted making possible the use of the campsite by early summer of next year.

In the meantime, considerable work has been done on the campsite in an area on the river. Sufficient space has been cleared to take care of a fairly large group of campers. In order to encourage maximum use of the campsite under the financial limitations facing us, a camping equipment trailer has been constructed and equipped with enough camping gear to take care of 20 people. Once the road is completed, the trailer (which is to be pulled behind a farm tractor) will be kept in the vicinity of the campsite and

may be checked out through the association office for use in an area set aside for this purpose.

The Camp Council is being asked to plan a minimum of three weeks of camps on the campsite property next summer in addition to the short term camping activities with the trailer. We are therefore happy to report that the camp is fast becoming a reality.

The following equipment has been purchased for campsite use: a used farm tractor, rotary mower, chainsaw, camping equipment trailer and camping supplies for the trailer.

Recommendations:

1. The Campsite Development Committee recommends that in appreciation to Mr. Jimmy Cale and in memory of his father, the Reverend W. F. Cale, Sr., the camp be named CAMP CALE.

Respectfully submitted,
ROBERT S. HARRELL, Chairman

October 5, 1963 DENNIS S. MORGAN, Treasurer

This is to certify that I have Audited the books of Dennis S. Morgan, Treasurer of The Chowan Baptist Association for the Associational Year Ended 9/30/63, and find same correct as stated in the above report. I find that the records are intelligently recorded, and wish to take this opportunity to commend Brother Morgan for a big job well done.

Respectfully submitted,
W. TWIDDY HARRIS, Auditor

11. The report was on motion adopted.

12. Rev. P. T. Bailey called attention to the small sums paid the Promotional Secretary for supplying pulpits which he turns over to the unified budget and, upon Brother Bailey's motion, the Association goes on record to urge churches to pay Brother Harrell the same amount for supplying that they would pay for any other pulpit supply.

13. A study of the Constitution and Rules of Order authorized by the last session resulted in the submission of a copy containing a number of proposed amendments by Revs. William S. Brown and Aubrey McLellan. The proposals to be voted upon on Wednesday.

14. The Moderator called upon Rev. Thurman W. Allred to serve as Parliamentarian during the remainder of the session.

15. Rev. Thomas D. Austin spoke on the Cooperative Program Advance.

16. Dr. Buck Yearns, of the History Department, explained the position of Wake Forest College Board of Trustees in the proposed change in election of trustees. The Association took no action towards endorsement or opposing the proposed change.

17. The Moderator's annual message was somewhat in the pessimistic vein which he said he regretted it had to be. We need better cooperation within our Association - we cooperate better with the State and Southern Conventions and their agencies than we do among ourselves. He called attention to three particular short-comings within our Association: One, the Sunday School Superintendent was not able to get enough Sunday School people together to have any sort of Association-wide program last year. Two, There have been only two new Baptist churches established within our territory in 25 years while other denominations have established over a dozen good, self-supporting churches. We are dragging our feet. Three, We are becoming a denomination for the elite and aristocrats; we are not appealing to the lost, and other churches who call themselves Baptists are springing up within our territory, but do not cooperate with us or the State and Southern Baptist Conventions. He urged better support of our ministers in order that they could remain with our churches for longer pastorates. The turn over has been too great the past few years. In a more optimistic vein he stated that our giving to the Cooperative Program has improved so that we have better average than any association in the State.

18. Dr. Kicklighter, host pastor, made announcements concerning lunch.

19. Rev. Irvin Acree read from the Scriptures and led in prayer, a mixed quartette from Corinth Church sang The Church's

One Foundation, and the annual sermon was delivered by Rev. Marvin Aycock. Brother Aycock gave the benediction and thanks for the lunch to be served.

20. Lunch was served by the host church in the new Educational Building.

TUESDAY AFTERNOON SESSION

21. The congregation engaged in the singing of Great is Thy Faithfulness, led by Brother Faircloth; devotions consisting of reading from the Scripture and prayer was led by Rev. James Sansbury.

22. Rev. William A. Poole, speaking to the theme: Christian Social Services, brought greetings from the Homes for the Aging of which he is General Superintendent, also from the Children's Homes and the Hospital. His message was concerned with the total welfare of our people and human relations in the various institutions of the Convention.

23. Marse Grant, Editor of the Biblical Recorder, informed us that the paper was first published at Edenton, within the bounds of our Association, and he spoke in the interest not only of the Recorder but on Religious literature in general.

24. The Moderator called upon J. H. Moore to present the next speaker, Rev. Ben Fisher, Secretary Christian Higher Education, who brought greetings and spoke in the interest of our seven Baptist colleges in this State.

25. Evangelism was spoken to by Rev. Gary Harthcock, Associate in the Division of Evangelism of the State Convention.

26. Dr. Bruce Whitaker, President of Chowan College, presented Bob Brown, director and the college choir, who rendered three sacred selections after which Dr. Whitaker spoke interestingly and effectively in behalf of Christian Education.

27. Claude Gaddy, interim General Secretary Treasurer Baptist State Convention, brought a stirring message on the work of Baptists in this State and was, as always, well received.

28. Benediction for the afternoon session was by Brother Alvin Sawyer, of Berea church.

WEDNESDAY MORNING SESSION

29. The morning session was open with the singing of Holy, Holy, Holy. Scripture reading and prayer was by Rev. William S. Brown, host pastor, who also extended welcome and made announcements concerning facilities, etc.

30. The Moderator recognized and welcomed several more visitors from outside the Association.

31. An amendment to the 1964 budget presented on Tuesday was adopted allowing the Promotional Secretary an increase in salary from $4500 to $4800. On motion the budget including the amendment was adopted.

32. Erection of Chowan Chapel at Kitty Hawk as proposed on Tuesday was brought up for action. It was discussed by Revs. P. T. Bailey, Thomas D. Austin, R. W. Kicklighter, R. S. Harrell, Warren Rollins, C. Aubrey McLellan and Norman Harris. Also by Charlie Jones, E. R. Woodard, Dennis Morgan and Mrs. R. E. Vickers. The motion discussed: That upon recommendation of the Executive Committee the Trustees are authorized to borrow approximately $15,000 not including the $3,000 to be borrowed from the State Convention and erect the chapel. On motion it was amended to limit the amount borrowed to $17,000 not including the $3,000 to be borrowed from the Convention. The original motion with the amendment was carried. Another motion was passed to authorize the Trustees to give the lot as security for the loan.

33. Rev. Harold White, Presbyterian minister and Secretary

of the Council on Migrant workers, spoke on the work with migrants in this area.

34. Rev. P. T. Bailey explained that the Clerk should have instructions as to how to distribute Associational minutes to the churches under the new unified budget and moved that each contributing church receive five copies and one copy for each 25 resident members and reserving a copy for each State and Southern board or agency needing them.

35. Brother Faircloth led in singing Love Divine, All Love Excelling.

36. On motion the Clerk was instructed to write to Rev. E. R. Stewart and express our regrets that he was unable because of illness to attend and bring the annual sermon and wish for him a speedy recovery to health. The following message was sent:

Dear Brother Stewart:

We were sorry you were not able to be with us and bring the annual sermon at the Association this year. 38. Rev. William S. Brown, Chairman of the committee authorized by the last session to study proposed amendments to the Constitution and Rules of Order, submitted for the committee the following report, which along with the Constitution presented on Tuesday was discussed by Revs. P. T. Bailey, Norman Harris, Rodney Beals, W. S. Brown and Dr. R. W. Kicklighter and both were adopted.

REPORT OF COMMITTEE TO STUDY PROPOSED AMENDMENTS TO THE CONSTITUTION AND RULES OF ORDER

The committee appointed by the Moderator of the Chowan Baptist Association for the purpose of studying the proposed amendments to the constitution of the Association as submitted in the last annual meeting is prepared to submit its report and recommendations.

1. We believe the proposal to enlarge the Executive Committee to include the pastor and one lay person from each church would result in a Committee whose work would be hampered by its size. We would suggest that a plan by means of which each church would have one representative on the Executive Committee would result in a smaller Committee than that proposed, and at the same time would allow each church in the association a voice and a vote in the meetings of the Associational Executive Committee.

2. We believe the proposal to change the number of meetings of the Executive Committee from two a year to at least "once each quarter" will result in a better program of work for the Association.

Respectfully submitted,

WM. S. BROWN, Chairman

39. On motion the member churches of the Association be requested to submit the names of their members to serve on the Executive Committee to the Associational Clerk by November 23, 1963; and that the names so submitted by specified date be declared by this Association as the churches' representatives on the Executive Committee for 1963-64 to serve along with officers as provided in the new Constitution and Rules of Order. However, before the above was adopted it was observed necessary to suspend the Rules of Order which was properly done by motion.

40. It was observed that technically the body must officially re-establish itself in the Rules of Order in order to continue to do business and by motion this was done.

41. The next item in the order of business was on motion suspended in order to give the next speaker his alloted time. The speaker, Rev. E. A. McDowell, Professor of New Testament Interpretation, Southeastern Seminary, brought an inspiring and scholarly message on The Church - The Body of Christ, as found in the study of Ephesians.

42. Brother Brown, host pastor, made announcements concerning lunch and the benediction was pronounced by Rev. Johnnie Bradley. A delicious fish fry as well as many other good things to eat were served on the grounds by the host church.

AFTERNOON SESSION

43. After congregational singing of Come Thou Almighty King Rev. Albert Bishop read from the Scripture and led in prayer for devine guidance during the final session of the Association.

REPORT OF THE COMMITTEE ON TIME, PLACE AND PREACHER

We, the Committee on Time, Place and Preacher, recommend that we accept the invitation of Elizabeth City First Church for the first day sessions and the invitation of Sandy Cross Church for the second day sessions; that they be held Tuesday and Wednesday after the third Sunday in October, 1964; and that Rev. William S. Brown preach the annual sermon. Rev. Thomas D. Austin to be his alternate.

Respectfully submitted,

J. LEONARD GERRALD,
for the Committee

44. The report was on motion adopted.

45. J. Henry LeRoy, Jr. spoke in behalf of the Baptist Foundation. He is a member of the Board of Directors of the Foundation

and his remarks were informative and substantially as follows:

Since July, 1962, the Foundation has had a full-time Executive Secretary in the person of C. Gordon Maddrey. The activities of the Secretary and Board of Directors have been to carry the message of the services offered by the Foundation to as many people as possible. It has been quite stimulating but it remains to be seen what results will acrue from these contacts.

On June 30, 1962, the assets of the Foundation amounted to $303,186.66. The assets of June 30, 1963, were $324,256.39. The estate of R. Sterling Graves amounts to approximately $440,000. The Estate of T. F. Pettus is in the neighborhood of $110,000. Both of these estates are in the hands of the trustees of the estates and for all practical purposes they will be turned over to the Foundation in the very near future and will push our assets to over $870,000. Those who have relatively small amounts of money, personal property or other real assets, will find the Foundation is just as anxious to serve them as it is to serve the larger estates, as the Foundation exists to serve ALL Baptists.

The Board of Directors, who serve without pay, and the Executive Secretary wish to express their deep appreciation to the various organizations, institutions and agencies that have assisted them with the promotion of the program. We solicit your continued support and hope that the Foundation will be better able, year by year, to render the services for which it was established.

46. On motion the reports of Standing Committees as distributed in printed form among the Messengers on Tuesday were adopted except the last paragraph in the report on Evangelism concerning February 27 as the date of an Evangelism clinic, which was deleted.

REPORTS OF STANDING COMMITTEES

CHILDREN'S HOMES — By J. A. Morris

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptist and other friends. We are indeed grateful for every remembrance — the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing, and other things. Without these we could not provide the many services to children and families which we do.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strenghten our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admissions of children are increasing. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.

2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.

3. An increase in financial support to undergird and strengthen the entire program.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per cent
Thanksgiving Offering	30 Per cent
Once-a-Month Offerings	16 Per cent
All Other	21 Per cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists.

EVANGELISM — By Rev. William S. Brown

To say that these are critical moments in the history of our world is to repeat words which, seemingly, have lost their impact on our ears and minds because they have been repeated so often. Too, it appears that we have lapsed into a dream world of pretense where we see everything with a rosy hue. But, these are desperate days. Our world is searching for some ray of hope in its darkness of dilema. It, at the same time, is holding tenaciously to the straw that mankind, by means of treaties, will usher in a state of Utopian living. The church exists in such a world.

Some would put the church in the execution chamber as a thing which has outlived its usefulness. Others see it with value only if it will revise its message and learn the language of relevancy.

God has raised up Southern Baptists in this hour and has given to us the tremendous opportunity of recognizing that the world's basic problem is that of sin, and that its hope is in Jesus Christ, the Saviour. We have a message for our day - the Eternal Christ, strong to save and fully capable of transforming human life and, thus to have a transforming effect on society. A minister of another faith said to me in recent months that working Baptists will do more than any other group in evangelizing the lost and in establishing the converts in the faith.

The year 1964 is before us. It is the year for the Baptist Jubilee Revivals. The dates for our Association are: March 29 - April 12, 1964. Contacts with the churches of this Association have been made already, asking for a commitment to participate by scheduling a revival during the above mentioned dates.

FOREIGN MISSIONS — By Mrs. Walter A. Ward

This has been our most fruitful year in the appointment of Missionaries. Today we have 1,792 which is a cause for real rejoicing. Yet in all areas there is an overwhelming NEED for more Missionaries.

We are deeply concerned with the overpowering CRISIS that has caused our foreign mission work to be gravely imperiled and this CRISIS is our deeply troubled racial situation. Dr. Cauthen says: "I have never known Missionaries to be more concerned than they are about this serious matter." The majority of work we do across the world is done amid nonwhite people. We need to pray for the guidance of the living God that we may be able to

show clearly that christian love includes all people regardless of race. Think of the Missionaries' shock when the headlines blared for the news of bombing and murder in a Baptist church in Birmingham where Woman's Missionary Union has it's headquarters. Does that show the love of God?

Unless we can meet the task here at home then we have blocked the task of Missionaries abroad. If we fail to achieve christian justice and christian brotherhood in this country then we have frustrated our Missionaries at every point.

This is the challenge that confronts us: to begin at the Church level to demonstrate our FAITH in the validity of the doctrines of the New Testament, then we can make real headway even unto the ends of the world.

This is a time for self-examination — examine our motives, our attitudes. Are we more devoted to a cause than Christ? More dependent upon materials than upon the spirit? Are we synthetic soul-winners, planning a program for others that we are unwilling to participate in? In this hour of trial if we have blocked our Foreign Mission advance by our actions at home, we need to pray for forgiveness.

HOMES FOR THE AGING — By R. L. Garrett

God has blessed the ministry of our Homes during their twelve years of operation, and the past year has been filled with His goodness.

We serve 160 residents in four Homes - The Hayes, Resthaven, Albemarle and Hamilton Homes. These beautiful facilities have greatly lengthened and strengthened the arm of our total ministry, and have already brought much joy to our people in North Carolina. We are seeking to make a real Christian home for all who abide under their roofs. They are a haven of rest, worship, Christian fellowship and appealing activity, and you are cordially invited to visit them any time you can.

There are 160 people waiting for admission, from all areas of the State, and it is a heartbreaking experience to keep these dear people waiting who so urgently need to be admitted.

Our youngest resident is 65 and our oldest is past 102. Between this age span we are seeking to meet almost every conceivable need of the individual. Perhaps one of the greatest single contributions that is made to the residents is the nursing care that is given in the event of illness. The resident is assured that he will receive tender, loving care in sickness as in health.

The tie with our people and our churches is a blessed one indeed. We are continually dependent upon the prayers, visits and financial support of our people, and the most vital media of support from the churches are the Special Day Offerings on the third Sunday in February. Inasmuch as the homes receive only $7.92 out of each $1,000.00 contributed through the Cooperative Program, we continue to look to the Special Day Offerings for the greater part of support. We must continue to support them with our gifts and our prayers. They cannot go without them.

HOME MISSIONS — By Rev. L. C. Chandler

Lights are shining in the Homeland — the churches are the lights. Doors opened where there were no churches. Through the ministry of Home Missions people are being saved. More churches than ever before, still more crime and juvenile delinquency than ever before. Twenty whole countries with no Baptist churches. Three out of every four in the mountains are not members of any church. There is much to be done in the churches of our homeland. The light shines on. The darkness is deep. Let's light the lights in the homeland, so the lights may shine around the world.

The Home Missions Board, as of December 31, 1961, has under appointment 1,975 missionaries. Included in this number were 25 missionaries appointed to serve with Language Groups in our country. Fifteen others were appointed for Good Will Centers, Mission Centers, and other areas of City Mission work. The Board approved a supplement for 142 mission pastors during 1961 and appointed 55 student missionaries. They are co-operating in every state in the promotion of mission work. This work is grouped under these programs: evangelism, church loans, language missions, city missions, associational and pioneer missions, chaplaincy, and National Baptist.

They are sponsoring 82 Mission Programs, also work in 77 Good Will Centers and Mission Centers, and 7 Rescue Missions. There are 53 Good Will Centers and Mission Centers operated by other Southern Baptist groups.

Agreement between the Home Mission Board and the state mission boards now number 26, according to Courts Redford, executive secretary. These states cooperate in the employment of most of the 2,074 missionaries who serve in all 50 states, Cuba, Panama, and the Canal Zone. These missionaries reported 54,899 professions of faith last year.

Let us recognize the size and urgency of our home mission task, and pledge anew our prayers and support in meeting the challenge of this crusade in home missions.

HOSPITAL — By Rev. John Beukema

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in thousands of people sick in body, mind and spirit, and who come to our Hospital. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a challenge to our skills and our compassion!

The Mother's Day Fund, or an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue this service of love after we are gone.

We thank our people for this ministry and call upon them to make their support a worthy expression of their Christian concern.

RELIEF AND ANNUITY — By Rev. Henry V. Napier

Ponder this parable: A certain church informed its pastor that the church was to take care of all the expense incurred in his retirement program. This went on for seven years and one night the pastor was taken to the hospital and the doctor made the diagnosis that it was a heart attack, that he would have to be out of the pulpit for an indefinite period, and would probably not be able to return at all.

The Church asked its deacons to talk with the pastor and they discussed the matter of retiring and the fact that the church was not able to pay the pastor anything because they were not well off financially. That pastor, who loved his people and who knew their sacrifices in the past, hastened to assure the deacons that the church had already taken care of such an emergency as this and he laid plans to retire on disability payments which helped to take care of his basic needs. Along with Social Security he was able to cut all ties with the church and that church was able to call another pastor with no feeling of obligation for they had fulfilled their responsibility to their pastor.

How is it with your Church? Remember that when you help your pastor in his retirement program you are also helping your church.

RELIGIOUS LITERATURE — By Rev. R. Donald Wagner

The purpose of Religious Literature is to draw a man's mind and soul above the mundane, atheistic and humanistic influences of our society, to impress on the reader the necessity of the spirit of God and to encourage him to walk by faith in the living God.

God's Holy Word must become as much read in our homes as the daily papers, as the public school textbooks and as the magazines that show the glamour of our world. The literature of the Southern Baptist Convention, which is centered on religious grounds, must become the kind of reading material that one would select over a secular magazine.

The major means of communication among Baptists in North Carolina is the Biblical Recorder. The Recorder is a weekly magazine that has grown up with our State Convention. It is through the Recorder that North Carolina Baptists can come together in a "Common Meeting Place." It has as its major task to inform people of the religious happenings in North Carolina and across our world.

The Biblical Recorder has many plans for the people of Baptist Churches to receive it and it is to be hoped that each church, in the Chowan Association, will encourage its members to read the Recorder by sending the magazine into its members homes.

SOCIAL ACTION — By Rev. Thomas D. Austin

Today the most acute need for the application of Christian principles is in the area of human relations. We live in a time in which racial tension is increasing; and anomosity, hatred and malice are separating men, women and children into opposing and hostile camps. It is incumbent upon Christian people to act not on preference but on Christian principle; the solving of the race problem must be lifted from the political arena where expediency prevails, and the leadership must be assumed by Christians, who know that "we all have one Father and that God created us all." The attention of the world is focused upon the South, and more especially upon the Christian folk of the South, to see how they will handle the adjustment that they and the Negro populace must make.

We must treat all men with love and understanding, considering all people to be persons and not disdain one because his color is different. We

must love what Jesus loved and He loved all men. We cannot call anything alien which He accepted; we can only by the grace of God ask for understanding and fortitude, and with patience work for the healing of the breach that has come among the peoples of our communities.

Be it further recognized that to be Christian any approach to social problems must be grounded on sound doctrine, and our faith must ever be affirmed in the living God who is creatively and redemptively at work even in this century. The lives of all men and nations constantly stand under the scrutiny and judgment of the Almighty One. We must always keep our behavior consistent with the pattern of revealed truth, and must be certain that there is no discrepancy between the gospel we profess and the gospel we live. Only by coming to understand more of God's will, more of His purpose in Jesus Christ, and more of His love for the fallen, can we rid ourselves of this devastating inconsistency.

"How can we love God whom we have not seen if we love not man whom we have seen?"

STATE MISSIONS — By Rev. Norman Burnes

North Carolina Baptists are winning the lost through State Missions. Last year, 2817 people were won to Christ through the direct missions area of your State Missions Program through the Division of Missions. Last year we helped train thousands of Christians to become better soul-winners through our State Mission Program. North Carolina Baptists are "teaching them to observe all things" as the Lord commanded. We help train pastors to become better evangelists at Fruitland and at Mars Hill Week of Christian Study and Fellowship. Ministers, laymen and women are helped to become better evangelists through the Divisions of Evangelism, Missions, Church Programs, and through the Woman's Missionary Union. State Missions is you at work, teaching and training the evangelized.

The ministries of our State Missions work includes: Church Development, Interracial Cooperation, Fruitland Bible Institute, Ministry to the Deaf, Seminary Extension Program, Cherokee Ministry, Military Personnel, Associational Missions, Institutional Ministries, Special Summer Mission Work, Pastor's Schools, Schools of Missions, Pastoral Aid, Church lot Aid, Church Loans, 30,000 Movement, and Work with Japanese. We are helping thousands of the evangelized become evangelists by our support of the State Mission Program. How do we help in evangelistic work? 1. Through the Cooperative Program we help evangelize North Carolina. 2. Through State Missions Day in the Sunday Schools North Carolina Baptist are helping to evangelize our state. 3. We help evangelize North Carolina through the W.M.U. Season of Prayer and special offering for State Missions.

You may help evangelize North Carolina by praying for and giving a special love offering to State Missions in September and each week through your Cooperative Program.

TEMPERANCE AND MORALS — By W. J. Berryman

Would God we could report one encouraging word on temperance, but try as we may to do this we are driven to the necessity of saying that all the evidence points up the discouraging fact that more and more cities, towns and counties are licensing more and more liquor stores, to sell more and more liquor to more and more church members, both male and female, and more and more of them are drinking yet more and more, and with their drinking they are committing other of the "oldest kind of sins in the newest kind of ways", and are going faster and faster straight through the churches to hell, while they presume upon the "love of God" to take them to Heaven. And while this is going on, more and more of the church members who do not drink,

are doing less and less than nothing about even trying to prevent the infernal traffic from destroying us.

The Lord forbid that I should accuse any of His ministers of a soft attitude toward the liquor business because so many church members are drinking, but facts compel us to say that not many of them are taking an open, aboveboard stand against it. And why? Each one shall have to answer that question for himself. Meanwhile, "My people are destroyed for lack of knowledge" (Hosea 4:6), and "Therefore my people are gone into captivity, because they have no knowledge" (Isaiah 5:13). But who shall teach us when our ministers fail us? (Ezekiel 3:17-18).

TRAINING UNION — By C. W. Overman

WOMAN'S MISSIONARY UNION — By Mrs. E. A. Swain

During our 1962-1963 year we have been aware of our theme, "A Priceless Heritage". In observance of Woman's Missionary Union's seventy-fifth anniversary, Prayer Retreats have been held in many societies thus resulting in inspiration and interest. The Associational Officers held a Prayer Retreat in the Harrell cottage on Chowan river.

We have had a part in the migrant ministry by supplying Health Kits for the migrant childrens' Day Camps. The number of kits supplied is unknown but we were informed that the number was sufficient for the increased enrollment.

Four Sunbeam Day Camps for eight year olds were held:
August 7 at Macedonia with twenty-three present.
August 9 at Providence with thirty-five present.
August 12 at Sandy Cross with thirty-two present.
August 16 at Creswell with four present. The total attendance was ninety-four Sunbeams, thirty-two workers and visitors from nineteen churches.

The GA Golden anniversary was celebrated with a banquet at Sunbury with an attendance of 530. The YWA Association banquet was held in Hertford with approximately 200 in attendance. Rev. and Mrs. Zack Deal were the missionary speakers for both banquets.

Interest has been expressed in a Literary Program in our association. Some members have already expressed a desire to participat in this program. Our Promotional Scretary, Rev. Robert Harrell, has worked on this and we are happy to know that a Literacy workshop is scheduled for March 23-27.

Four officers atended State WMU Convention at Charlotte in March.

It has been an inspiration to me to have visited some of our societies during the year. I hope to make personal visits to many more societies during the coming year.

The total enrollment in our Association is 3917 which consists of 2087 WMS members, 210 YWA members, 745 GA members and 875 Sunbeam members.

It is our earnest prayer that many more may be enlisted in 1963-1964.

CHRISTIAN EDUCATION EMPHASIS FOR 1964 — By J. H. Moore

Therefore, mindful of the real dangers which our denomination faces with a decline in the number of young people answering the call to full-time Christian service, your Baptist colleges, working through the council on Christian Education, have designated Christian Education for 1964 as Christian Vocational Day. This will be a day for "calling out the called", the day in which the colleges will join our churches in appealing to young people to heed the call to the ministry, missions, and evangelism, to prepare themselves to accept positions of leadership in religious education, church music, and in many of the special fields related to these.

In addition to this, we hope to make the Christian Education Day offering next year a great offering to help those young people answer the call to fulltime Christian service and to go to college. The colleges feel that far too long this area has been neglected. While thousands of dollars are available in scholarship funds in this country for those who want to study science, technology, teaching, or many other professions, there has been no corresponding effort to help Christian vocational workers overcme their financial prblem.

This plight is painfully illustrated by what happended in a church not too many weeks ago. According to one of our fine associational missionaries, a young woman went home from the morning service with great enthusiasm and a determinatin to give her life to full-time Christian service. At lunch, after she had expressed this desire, the father shook his head sadly and said to her, "I wish this could be possible, but you might as well put it from your mind. We can barely pay the taxes, much less get up the money to send you to college."

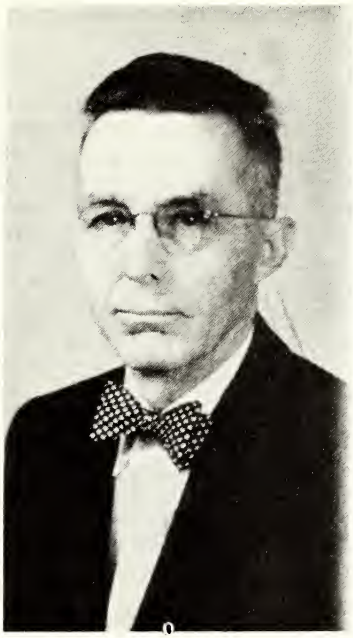
DEDICATION



A. H. OUTLAW

By action of the Executive Committee of the Chowan Baptist Association in its December meeting, the minutes of 1964 are dedicated to Abner H. Outlaw, in grateful appreciation for his service as Clerk of the Association for twenty-seven (27) years.

On September 16, 1896, in Lenoir County, North Carolina, Abner H. Outlaw was born. He served as pastor of Free Will Baptist Churches in Kinston, Morehead City, New Bern and Elizabeth City, North Carolina prior to 1930. Near the end of 1930, he became a member of the First Baptist Church in Elizabeth City and later that same year was ordained to the gospel ministry by the Church.

In 1926 the Rev. Mr. Outlaw became Superintendent of the Pasquotank County Welfare Department, and served in that capacity until his retirement in 1958. During this tenure with the Welfare Department his ministerial activities were limited to part-time churches. He did extensive supply and interim work, and other denominations called upon him for pulpit supply. On March 15, 1941, First Baptist Church appointed him as Assistant Pastor; this was not a salaried position, but it enabled him to supply the pulpit and discharge other ministerial functions in the absence of the Pastor. The position was resigned in 1960.

Mr. and Mrs. Outlaw reside in Newport, North Carolina, and their children, Mrs. Lindsey W. Hill and Mrs. James N. Troxler reside in Greensboro, North Carolina.

Because of the accurate and careful manner that he has served as Clerk of the Chowan Baptist Association, and because of the long tenure of service (27 years) and because of his interest in this Association, these minutes are affectionately dedicated to Abner H. Outlaw, Clerk Emeritus of the Chowan Baptist Association of North Carolina.

44. Hymn: "This Is My Father's World," conducted by Mr. Beals.

45. Report of the Cooperative Program Advance by Mr. Don Wagner:

Since 1925 the Cooperative Program has been the channel enabling North Carolina Baptists to support the world ministry committed to them by the Great Commission. Each of us had a part in the support of over 5,000 missionaries who baptized over 58,000 people last year, if we gave through the Cooperative Program. In addition to these missionaries we helped 63 Baptist hospitals, 45 orphanages, 14 homes for the aging and 1,132 schools around the world.

The individual worships with tithes and offerings in his local church; the church plans a budget and decides what portion shall be given to all denominational causes through the Program and sends its contribution to the Convention offices in Raleigh.

The Convention in special session in Greensboro urged the churches to increase their giving through the Program by at least 35%. Our churches last year gave an average of only a little more than eight cents of each dollar of church income through the Program to witness to two billion lost people in the world. Fifty-three churches in

our Association gave a total of only $58,603, and five churches did not contribute anything through the Program.

It is recommended that our churches focus attention upon world missions, using four Wednesdays in some month as Cooperative Program Emphasis Month. It is further recommended that every church in the Association give prayerful consideration to increasing the percentage now being given to missions through the Cooperative Program in order to undergird the world-wide work of our Lord.

46. The report was on motion adopted.

47. Report of Camp Council - by Mr. Rodney Beals.

The Camp Council consists of the President of the W.M.U., President of the Brotherhood, a representative of the W.M.U. appointed by the W.M.U. President and approved by the Moderator, a representative of the Brotherhood appointed by the President and approved by the Moderator, Chairman of the Missions Advisory Committee, Junior and Intermediate G.A. Leader, Junior and Intermediate R.A. Leader, and the Superintendent of Missions. It is the duty of the Council to carry on a program of summer camping for the youth of our Association.

The program of camping was conducted on the campus of Chowan College, at Camp Cale and at Cape Hatteras National Seashore. The emphasis was on Christian education by encounter, by explanation and by review. At Chowan College we worked with the campus atmosphere, at Camp Cale the experiences were in pioneer camping and at Cape Hatteras it was the experience of a small group working closely together.

We held seven weeks of camps: Two R.A. and two G.A. camps at Camp Cale with an enrollment of 77. The R.A. and G.A. camp at Chowan College had an enrollment of 155. There were five on the trip to Cape Hatteras. The three-day Camps of World Friend Sunbeams had 100 enrolled at Camp Cale. All of our leadership was volunteer except the Superintendent of Missions and a water front supervisor at Camp Cale. At Chowan the life guards were furnished by the college. Camp Cale was made possible by the unselfish work of persons in the Association who donated time and materials; and for all of these materials and volunteer services, we are most grateful.

The proposed budget by the Finance Committee contains no item for the further development of Camp Cale, but it is hoped that monies will be made available so that the camp may open again next year.

48. The report was on motion adopted.

49. Report of Campsite Development - by George Lewis, Acting Chairman.

Mr. Lewis reported that a road has been constructed and completed - 1 mile - from White Hat Road to Camp Parking lot. Maintenance equipment: 1 Ferguson 20 Tractor, 1 Utility trailer, 1 Rotary Mower, 1 Chain Saw, Camping Equipment: 6 complete Hogans and mosquito netting, 12 Clothing closets, tarps, beds, mattresses and part of the lumber for two more hogans, 1 camping-equipment trailer fully equipped to care for 20 people, 1 tarp shelter, 1 table, 3 tarps, 1 pump, 2 outdoor sanitary toilets, 1 Lister bag, 3 canoes, 1 sailboat, 1 skiff. The camping area has been cleared; outdoor Worship area built; handtools purchased and on hand for upkeep. Present pressing needs are electrical water service and facilities for food preparation.

The following recommendations were made to the Association:

1. The Campsite Development Committee recommends that the Campsite Development Fund be continued, and that the associational treasurer be permitted to accept private gifts for that fund.

2. The Campsite Development Committee recommends that the Association approve and encourage local churches to make special gifts above and beyond their pledged amounts to the Associational Unified Budget for the operation and development of the camp for the 1965 camping year, as no money has been provided in the new budget for this purpose. Recommendations duly seconded and passed.

54. The afternoon session was opened with the singing of: "I've Found a Friend," conducted by Mr. Beals; and the Scripture Reading and Prayer was by Mr. George Lewis.

56. Hymn: "Dear Lord and Father of Mankind," led by Mr. Beals.

57. On motion by Mr. Norman Harris the Committee on Committees was requested to report to the December Executive Committee meeting with the committee appointments, and the Executive Committee is to cast the ballot for the Association; duly seconded and passed.

REPORT ON STANDING COMMITTEES

CHILDREN'S HOMES-BY H. B. HOFFLER:

At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of in-born God given powers of our children. This is the continuing purpose of your child care program.

Of greater importance than material things is the genuine interest, concern and love given every child by Christian men and women on the staff. Many children who have known only heart break and tragedy learn to love again--learn to trust in themselves, in adults and in God. They find a measure of self-confidence and individual dignity because the Homes operate on the conviction that every child is precious in the sight of God.

Jesus devoted a great deal of His time and energy to the needs of the underprivileged people of His day. How would you like to join Him in our day in making life meaningful and happy for boys and girls who have no home and, who for some reason, know not the love of mother and father--children for whom the future has little to offer? How would you like to help boys and girls who have no hope to come under the impact of the saving grace of our Lord? How would you like to awaken to fruition the intellectual potential of boys and girls who can serve the up-lift of mankind and the furtherance of God's Gospel around the world? This can be done as you join hearts and hands with other friends of dependent children in making a way of life possible for them.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offerings	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

See that your church receives CHARITY AND CHILDREN so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

CHRISTIAN EDUCATION-BY. REV. IRVIN H. ACREE:

In an age when intellectual endeavor too often has been divorced from any attempt at relating Christian philosophy, the Church needs to make every effort to provide its youth with an education that is intellectually respectable as well as socially responsible and spiritually redemptive. Through our seven Baptist colleges we are seeking to provide this qualitative education.

One of the major problems facing us today is that of providing Christian higher education for as many young people as possible despite the rising cost of such education which threatens to price many deserving students out of college. In two years the total operating budget of the seven colleges has jumped from $12,000,000 to $20,753,032. 83% of this cost will be paid by the students. State or tax supported colleges can look forward to better than half of their operating costs being paid by the state. Baptist colleges can only look forward to 7.5% of their operating cost being paid by funds from the state convention.

Our colleges are grateful for the $169,584.25 provided them by our people through their giving. These gifts have enabled our colleges to meet the minimum guaranteed income necessary to maintain accreditation with the Southern Association of Colleges and Secondary Schools. We cannot live in the past, however. At our state convention in November the General Board will recommend two proposals which will hopefully allow us to live in the present and face the future realistically. "The Trustee Proposal," if adopted, will allow 25% of each college Board of Trustees to be non-Baptist and non-resident. "The Federal Funds Proposal," if adopted, will allow our

colleges to participate, through the reception of funds, in the Higher Education Facilities Act of 1963.

Within our own association we have begun this year a seminary extension school for both layman and clergy.

FOREIGN MISSIONS-BY MRS. THURMAN W. ALLRED:

Appointed during 1963 were 195 new missionaries, including 15 missionary associates, bringing to a total over 1800 on the mission staff of the Foreign Mission Board. This objective has been before them for 15 years.

When these new missionaries are added to the overseas staff, then the annual mission obligation is also increased by more than one million and a half dollars. We should remember that this added financial obligation is a continuing one, for these new missionaries belong to Southern Baptists and remain on the foreign mission field year after year.

Even as these were appointed, many more urgent requests continued to come for new missionaries. Among the most pressing needs are listed people in field evangelism, church development, theological education, nursing, student work and religious education.

Over 9 million dollars was given for foreign missions through the Co-operative Program by Southern Baptists during 1963, thus making this greatest missionary outreach possible. However, Dr. Baker J. Cauthen challenges every Baptist as he says:

"The time has come for Southern Baptists to fix their eyes on a new horizon in world missions. The Foreign Mission Board, after long and careful consideration, has issued a call for 5,000 missionaries to be placed across the world at the earliest possible time!"

To this urgent and gigantic task, Southern Baptists are deeply committed. This missions undertaking must never be measured by what has been done in the past, either by Baptists or others, for when what we are now doing is put alongside the terrible needs of the world, and when we see the open doors that beckon to us, then we realize again that we have barely begun.

We must measure what we are doing BY THE CRISIS OF THE DAY! THIS IS THE DAY OF DESTINY!

HOMES FOR THE AGING-BY MRS. M. T. GRIFFIN:

Our Baptist Homes have just completed their 13th year of operation and are entering the 14th year with eager anticipation and much enthusiasm. God has blessed those years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from one resident and one building, since March 1951, to 160 residents and four buildings in 1964. Today there are 170 people waiting for admission.

The wonderful news for 1964 is the development of a fifth Baptist Home, to be located at Yanceyville, North Carolina. Construction beginning this year is the hope for this new project, thereby making possible the care for thirty additional residents. Enough land and money were given to the Baptist Foundation of North Carolina by the late R. Sterling Graves, and his sister, Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there, which is the greatest single bequest that has ever been left for us.

Today North Carolina Baptists are contributing an average of $98.00 a month on the cost and care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albermarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on third Sunday in February each year, through designated gifts from the church budgets, and through the Homes' share in the Cooperative Program.

Let us join our hearts in prayer and our lives in dedication that we may give a good account of our Stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

HOSPITALS-BY REV. J. L. WISEMAN:

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of about 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has for bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

RELIGIOUS LITERATURE-BY REV. TERRY JONES:

As concerned ministers and laymen we often find ourselves asking, "Why are so many people drifting out of our Churches?" One of the basic reasons for this mass exodus is because many of these drop outs are still babes in Christ. Their Christian growth has been stunted because something important is lacking in their spiritual diet. Too often it is the Word of God. As Peter writes, "AS NEWBORN BABES, DESIRE THE SINCERE MILK OF THE WORLD, THAT YE MAY GROW THEREBY..." Just as any newborn infant needs milk, babes in Christ need the Word to help build strong Christian structures. As parents, Churchmen, and pastors we are failing to emphasize this. Too many Christians spend more time reading the daily newspaper than they do the Word of God; when actually we need the Word to strengthen us to face the daily newspaper.

Of course there are other important steps to Christian maturity besides Bible study, but it should be among the first. Then Bible study should be followed up by the reading of other Christian literature. For instance, to be able to "RIGHTLY DIVIDE THE WORD OF TRUTH" every Christian should make an effort to own at least one good Bible commentary. We have Baptist Book Stores which are full of commentaries, concordances, and general work by competent authors to help us grow and prepare to be good sowers of the seed. Also, there are certain other periodicals available which should be found in every Christian home. As Baptists the HOME LIFE, THE BIBLICAL RECORDER and the ROYAL SERVICE are good starters along the line of Christian literature. These publications not only help us to grow in Christ

but they keep us informed of our Baptist work. And as informed Baptist we will be better working Baptists.

STATE MISSIONS-BY MRS. CAMERON BOYCE:

The purpose of our State Mission program is: To share the Gospel of Christ with all the people of North Carolina; to strengthen each church in its local work and world mission responsibility; to establish new churches through the organization and development of missions; and to cultivate a spiritual climate favorable to Christian life and the development of a Christian society.

Our State Mission program is our witness in North Carolina. State Missions begins at our own backdoor-our own church-and spreads beyond our backyard-throughout North Carolina. From the seashore to the mountains the offerings which are received through the Cooperative Program gifts and the special offerings for State Missions in the month of September are helping to provide ministries in several needed areas. In our own association, during this past year, State Missions has provided monies for development of the chapel at Kitty Hawk, funds for literacy missions, pastor salary supplements, and supplement to the salary of our Superintendent of Missions.

Through State Missions, we have a part in the ministry to the deaf in North Carolina, helping to provide Goodwill Centers, pastor training at Fruitland Institute, assisting in the building of new churches, aiding in a ministry to men in uniform and their families, witnessing to those in prison, ministry to the Indians in North Carolina, promotion of Seminary Extension work in the far-western reaches of North Carolina, and a share in many other ministries that have as their purpose-preaching, teaching, and baptizing in response to the Great Commission of our wonderful Lord.

One of the greatest challenges facing Baptists is that of matching our evangelistic fervor with an equal zeal for developing those we win in order that a continuous harvest from State Missions may be reaped in all the years to come. With God's help we will meet the challenge of the future in our State Mission Work.

SUNDAY SCHOOLS-BY REV. GEORGE H. COOKE:

The Great Commission is just as relevant in our generation as it was in the first Christian century. We are to "Go and teach all the nations."

The Sunday Schools have been assigned the tasks of outreach, teaching the Bible, and interpreting the work of the church and denomination.

We are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrollement of one million by 1970, or a gain of 29%.

We are asking each Sunday School in our association to accept an enrollment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached.

These gains can be realized by organizing new Sunday Schools; creation of Extension Bible Classes; starting new adult classes; activating of Extension, Cradle Roll, and Young People Away departments; and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago-locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people-we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities of training

in the Church Study Course, and to cooperate in the Adult Thrust effort to reach thousands of Adult church members not enrolled in Sunday School.

TEMPERANCE AND MORALS-BY REV. G. RODNEY BEALS:

How long can a man indulge his appetites without restraint and survive? How long can the people of America indulge their appetites and survive? We who are the followers of Christ must accept the responsibility that we have to try to change the existing conditions of our land. This is a task for Christianity in all its outward manifestations-the individual, the local church, the association.

Therefore, I call upon this Association through its members and organizations to affirm the following:

A) To recognize that beverage alcohol is an enemy to the person and to society. With this in mind we shall make abstinence from beverage alcohol a part of our teaching and the practice of our personal lives. We must make our adults aware of their responsibility before God and for their brother, and help our young people to know the facts concerning beverage alcohol and the deceit of those who advertise its use.

B) To recognize that the family is the foundation of our society and anything which destroys the family destroys society. We must prepare our young people for the obligations and responsibilities of marriage and make all who have entered into the bonds of marriage to know the sacredness of the vows they have taken.

C) To recognize that each person is effected by his environment and that a person who lives in filth gets dirty. Let us be sure that the reading material which enters our homes will build up and not destroy our moral judgment, that the places of entertainment in our communities are wholesome, and that the love of Christ that fills us and sustains us be our way of life.

If the world is to be changed, we must first change ourselves; if we are to be changed, God must work His miracle in our lives.

TRAINING UNION-BY M. J. TYNCH:

W.M.U.-BY MRS. E. A. SWAIN:

Our Woman's Missionary Union of Chowan Association has worked this Jubilee Year to achieve higher recognition on our Aims for Advancement. Attendance was good at Edenton in our workshop for preparation of this year's work.

On January twenty-first Associational WMU Officers taught a Leadership Course at Ballard's Bridge with an attendance of sixty-six. On January twenty-eight the same course was taught at Corinth with an attendance of one hundred. We felt that much genuine interest was expressed and we expect to see results of this study for years to come.

G.A. Annual meetings were held in May at Hertford and Salem.

Y.W.A. Associational banquet was held in February at Blackwell Memorial Church.

155 boys and girls attended Camp at Chowan College and seventy-two boys and girls attended camp at Camp Cale. There were two day Camps for World Friends (8 yr. olds) at Camp Cale with an attendance of sixty-eight boys and girls, eight visitors, twenty-four workers and twelve churches represented. We are grateful for those counselors who did a pioneer job at Camp Cale.

There were members who took training in the Literacy workshop. Clothing was collected and sorted for the Migrants.

Many items have been obtained and some money has been collected to buy furnishings for Kitty Hawk Chapel.

Seasons of Prayer have been observed and offerings made for Home, State and Foreign Missions.

Three Associational Officers attended State WMU Convention in March at Durham and seven officers attended State WMU Workshop in August at Campbell College.

RELIEF AND ANNUITY-BY REV. J. LEONARD GERRALD:

Every pastor, church, and denominational employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans. The 3,000 members needed to put the Life Benefit Plan into effect are now participating.

The new Plan provides low cost life protection to members while in service, during disability or in actual age retirement. The cost is only 1% of the annual salary basis, with minimum basis of participation set at $4,000 and maximum at $12,000. All participation is on even thousands, and the cost remains the same every year unless the members' salary increases and he wishes to increase payments.

The widow or beneficiary of a member 45 or under will receive 2 1/2 times his his salary basis of participation in the event of his death. In case of accidental death, the benefit doubles. After the member passes age 45, benefits are scaled downward by 1/10 of a percent each year. In case of total and presumably permanent disability, the members payments are waived, but his coverage continues.

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastor. Are you and your pastor protected?

SOCIAL ACTION-BY E. P. STORY:

Paul the beloved Apostle was speaking for Christians of all ages when he said, "I am debtor." This means that we are in debt to all men everywhere because of the christian Gospel. The dimensions of this debt are unlimited. They extend to all realms of life and to all conditions and to all people.

The Christian ideal makes no allowance for rebellion in carrying out its purpose. Rather, to seek God's guidance in performing its God-given task to the best of its ability. It is Christ through the church that offers to all men positive help in daily living. This can be seen in facing the social problems of today. For it is in our daily tasks and in the way we face the social problems around us that the world will see Christ in us.

Seeming colossal problems of today can find their answer through the church. We must admit that the church has failed in solving many human problems. Other agencies have been allowed to outstrip us. The church should have been the pace-setter.

Only as we look at things and people as God sees them will we in any way be useful. The closer the people of all races get to Christ and His Cross, the closer they will get to one another.

HOME MISSION - BY MRS. V.B. MORGAN

When the Church thinks of "missions" it usually considers the missionary opportunities across the seas. However, here in the United States the opportunities for missionizing are as great as they are across the seas. It is true that working with juvenile delinquents, alcoholics, unwanted children and minority groups lacks the glamor of the missionary enterprise to foreign countries. But the more than 2,000 Southern Baptist Home Missionaries are seeking to bring the light of the gospel to focus on the problems that beset and plague mankind here in our home-land.

During the year Dr. Courts Redford has stepped down as Executive Secretary-Treasurer of the Home Mission Board and he has been succeeded by Dr. Aaron Rutledge. Under his leadership the work of the Home Mission Board will continue to expand, and the millions who live in the continental United States and her possessions will have the "unsearchable riches of Christ declared unto them" by that core of dedicated and self-effacing Home Missionaries.

Do we not need to recognize anew that although statistics of church membership continue to spiral upward, there is much that we as Christians and as Southern Baptists can do in our nation and particularly in our Southland to relate the Gospel of Jesus Christ to the needs and problems of our neighbors.

64. On motion the foregoing Standing Committee Reports, printed in advance and distributed the previous day were adopted.

65. On motion representatives on the Executive Committee nominated by the churches were duly elected to serve with the elected officers of the Association as the Executive Committee.

On behalf of the Association Mr. Garrett presented the retiring Clerk a beautiful set of book-ends as a token of appreciation for his many years of service.

67. Hymn: "The Son of God Goes Forth to War," directed by Mr. Beals.

68. The newly elected officers were presented and a prayer of dedication was offered by Mr. Beals.

69. Hymn: "Holy, Holy, Holy" was led by Mr. Beals.

DEDICATION

E. R. STEWART

The 1965 Minutes of the Chowan Baptist Association are dedicated to the memory of the Rev. E.R. Stewart who responded to the call for higher service in 1965.

E.R. Stewart was born on December 31, 1893 in Catawba County, North Carolina. He graduated from Catawba Junior College and Wake Forest College and went on to Southern Baptist Theological Seminary where he earned his B.D. degree and pursued further studies.

Upon leaving the Seminary the Rev. Mr. Stewart served as a State Missionary for the Baptist State Convention of North Carolina in Hyde County for twenty years.

During his life of service he also pastored: churches in Bertie County; Hamilton and Everettes churches; churches in Hickory Virginia; and Mt. Pleasant, Creswell, Oak Grove and Roper churches in the Chowan Baptist Association. All of his years (with the exception of seven years in Virginia) he invested in Eastern North Carolina in developing small churches, which was his main interest.

It is to this outstanding minister the Rev. E.R. Stewart, who had a pastor's compassion, an evangelist's zeal and a missionary's dedication, whose life has meant much to Eastern North Carolina and especially to the churches of the Chowan Baptist Association, that we dedicate these minutes.

CONSTITUTION AND RULES OF ORDER

(Adopted October 23, 1963)

ARTICLE I - NAME

The name of this body shall be the Chowan Baptist Association of North Carolina.

ARTICLE II - PURPOSE

We join our local churches in the framework of this Association:

1. To give concrete and meaningful expression in the Christian Fellowship we share in Jesus Christ.
   Baptists have long maintained the local autonomy of each Baptist church. Such emphasis has effectively restrained the growth of any ecclesiastical hierarchy within the Baptist denomination. It has also carried the inherent danger that the local church may forget the "Universal Body of Christ" with its "one Lord, one faith, one baptism," and the fellowship which all Christians share one with the other. We join ourselves together in the belief that those members of Christ's church who call themselves Baptists can effectively give expression to Christian Fellowship with churches of their own denomination and hope for an effective expression of Christian Fellowship across denominational lines.
2. To increase the effectiveness of our individual churches in their outreach in and through Jesus Christ in the tasks of missions, evangelism, and education. The Association formed by our churches increases the effectiveness of each of the participating individual churches:
   a. By serving as a vital link of communication between the local church and the Baptist State Convention and the Southern Baptist Convention.
   b. By providing a broader basis of resources - - both financial and personal - - on which all of our sister churches may call when they find themselves in need of and unable to provide such assistance for themselves.
   c. By providing a framework in which the interested "leaders" of each local church can receive guidance and training which will facilitate their own ability to give guidance and training to the local church of which they are a part.
   d. By providing a channel through which the world-wide mission of the Christian Church may be strengthened and meaningfully supported.
   e. By serving as a "sounding board" where the individual churches can share their thoughts, problems, and questions with their fellow churches, and gain insight and guidance in the mutual exchange.
   f. By providing an instrument through which each local church can share in and add strength to the efforts of all Christians to meet the expanding needs for effective local missions and evangelism.
   g. By providing an instrument through which the vision and resources of our individual churches can be mobilized for an all-out effort to enlist the people of our area in a meaningful program of Christian recreation, education, and service.

REPORT OF THE EXECUTIVE COMMITTEE

As prescribed in the Chowan Baptist Association's Constitution, the Executive Committee held meetings in December; March, June and September. One called meeting was attempted in August. The Executive Committee elected 3 sub-committees from its membership: The Missions Advsiory Committee, The Finance Committee and The Calendar Committee.

The 1963-64 Executive Committee, in its September meeting, authorized a special study committee to bring a report relative to the purpose of The Chowan Baptist Association and to offer "Guidelines for the office of The Superintendent of missions." The latter part of this committee's recommendations was adopted at the December meeting and the former part at the March meeting. This committee's report is in your hands and the Executive Committee recommends that this purpose and these Guidelines for the office of the Superintendent of Missions be approved.

At each Executive Committee Meeting the various organizational reports were received, the Superintendent of Missions' Report was given and the Treasurer's Report was heard.

The Committee on Committees, which did not bring its report to the last annual meeting, presented its report to the December meeting of the Executive Committee. This report was adopted.

The following were appointed to be the Nominating Committee:

R.W. Kicklighter, Chairman, Greenville Banks, Jr., L.C. Chandler, Warren Rollins, and Adylett H. Morris.

Your Executive Committee voted to dedicate the 1964 Chowan Baptist Association Minutes to the Rev. Mr. A.H. Outlaw, Clerk of the Association for 27 years, and that his picture and a biographical sketch be included in the minutes.

Correspondence and data collected by the retiring clerk was to be quartered in the Associational Office.

Your Executive Committee authorized State Aid for the Hyde County Churches and for the Nags Head Church. This authorization was passed on to the State Baptist Convention for its approval.

Mr. James C. Lyles, nominated by the Nominating Committee, was elected by

the Executive Committee to be Associational Brotherhood President.

Your Executive Committee authorized the Missions Advisory Committee to be responsible for the maintenance and operation of the Kitty Hawk Baptist Chapel.

The Executive Committee approved 3 recommendations from the Tithe Now Committee: First, that the Association's goal for tithers be 1/3 of the resident membership of the churches; Second, that Stewardship Workshops be held at Edenton and Blackwell Memorial Churches on May 20; Third, that the Vacation Bible School offerings in the churches (including Parent's Night Offering) be designated for Associational Missions with 50% allocated for Kitty Hawk Chapel indebtedness and 50% allocated for Camp Cale development.

Your Executive Committee approved certain changes in the Chowan Association's Camping Program and followed prescribed procedures to set the new camping program in motion.

The Nominating Committee of the Association presented nominations for the following offices at the June meeting in compliance with item 4 of The Rules of Order: The Rev. Mr. Norman Harris, Clerk (Brother Harris was also elected to fill the unexpired term of the Rev. Mr. Thomas D. Austin, who resigned as Clerk):, Mrs. J.L. Chestnutt, WMU President, The Rev. Mr. Fletcher Ford, Sunday School Superintendent, Mr. James C. Lyles, Brotherhood President, and The Training Union Director will be nominated later.

During the past year certain items in the budget had to be amended to allow the Association to continue its work. Amendments were made to increase the amounts in the following items: Office rent from $100.00 to $300.00; gift to the Rose Bay Church (as promised in a previous associational meeting) $150.00; Baptist State Convention for debt retirement from $600.00 to $1,000.00; for Camp Cale Development $600.00; and $200.00 divided between phone rent, postage and supplies.

The Executive Committee voted to follow the constitution requirement this year for annual minute distribution to the churches (which requirement could not be followed last year because sufficient funds were not included in the budget approved by the last annual association).

The Executive Committee amended and approved the budget presented to it by the Finance Committee and recommends said budget to the annual session of the Association.

Authorization was made by the Executive Committee to have the treasurer's books audited by Johnny Currian and Jessie L. Harrell.

Respectfully submitted,
Donald Wagner

3. The addition of a 14 x 16 tent on a platform for the camp director's living quarters and administrative center.
4. The addition of a large tarp shelter for the kitchen and dining area.
5. The addition of an electric water pump.
6. The addition of electrical service to the kitchen and dining area.
7. The addition of canoe racks for the canoes.
8. The addition of one canoe, bringing the total to four.

Camp Cale has now completed two summers of operation. Whatever success has been achieved, has been due to the untiring efforts of pastors and laymen who have contributed many hours of labor, to individuals and churches who have contributed money, and to those who have volunteered their services on the staff.

A special word of thanks is due Mr. Red Knight, Mr. Ernest Morgan, and the Waff Brothers for donating the use of their bulldozers in the building of the road. The Waff Brothers also furnished the trucks to haul the gravel for the road. We are also grateful to Mr. T.S. Leary, Mr. Edgar Hollowell, Mr. Jack Leary and Mr. Jimmy Parrish for the use of tractors and equipment in clearing the underbrush in the camping area. Time will not permit me to mention by name all who have had a part in the progress which has been made, but we do want to express our sincere gratitude to the many men whose generous contributions made possible the purchase of the four canoes, the sailboat, and the electric water pump. Finally, a special word of gratitude is in order to Mr. Rob Bunch without whom the road never would have been possible.

The Camp Council is of the opinion that on the basis of the past two years' operation, the association should now be in a position to come to a definite decision as to the future development of the camp. If we want to continue the development

of this particular ministry for the youth and other groups in our churches, we must be willing to provide the finances to make this development possible. So that the association will have a clear picture of a long range plan of development and the approximate cost of each stage of development, we are bringing the following recommendations:

1. That with funds now available, the Campsite Development Committee obtain the service of a professional camp consultant who will suggest a plan of development.

2. That this plan of development be shared with the Executive Committee in its December meeting and that the Executive Committee be authorized to deal with this suggested plan of development as they deem wise.

Mrs. Asbell moved adoption of report with recommendations. The report was adopted.

40. The following Missions Advisory Report by Norman Burnes was accepted.

The Missions Advisory Committee of the Chowan Baptist Association has held regular monthly meetings throughout the past year. There are several items of business that deserve our special attention in this annual report to the association.

1. We have worked closely with the Superintendent of Missions of our association, following the "Guidelines" adopted by the Executive Committee in December. We are grateful for the fine and faithful work of our Superintendent of Missions, Robert Harrell, in working with the churches of our association.

2. We requested and received from the North Carolina Baptist State Convention Mission Board $684 for the salary of the Superintendent of Missions (which was used in our associational budget) and $500 for mission work in our association.

3. We advised the finance committee to send $150 to the Rose Bay Church to repair damage inflicted by a storm several years ago.

4. We decided to continue with our literacy program as it is at present. We have found out that the College of the Albermarle and the Federal Government through the Economic Program will not cover our area.

5. We spent most of our time on the Kitty Hawk Baptist Chapel since we are responsible for its program, maintenance and operation and we feel we had our most successful summer yet (June 6th through September 5th).

The average attendance for the morning worship service was 45 and the total offering for the summer amounted to over $500 which is more than double our previous summer at the beach. We are grateful for the support and the response that has been shown in our Chapel work during this our first summer in our new Chapel.

Mr. Albert Bishop resigned effective August 15th and now the Nags Head Baptist Church and the Kitty Hawk Chapel are without a pastor. The Nags Head Church has talked with the Missions Advisory Committee and the Superintendent of Missions as they seek to carry on their ministry during this interim period.

This year has been a year of work and challenge for your missions committee and for our association, but when we look around us we see that the possibilities and potential of missions in our area is even greater in the future than it has been in the past. May we dedicate ourselves anew to the task before us as we continue to work together in our association.

41. Special music, "Come Ye Blessed" sang by Mrs. Clay Ferebee.

42. The moderator presented Dr. William Smith, Secretary of Student Work in our state who spoke for the North Carolina Baptist State Convention on "What the Convention Is."

43. The Moderator extended thanks to the people of Rocky Hock Baptist Church for providing for us so graciously.

44. The afternoon session was closed with prayer by Mr. Norman B. Harris.

WEDNESDAY MORNING SESSION

45. The Wednesday morning session at Cool Spring was opened with the singing of "God Our Father" conducted by Mr. Maynard Mangum; and Scripture Reading and

prayer were given by Mr. Terry Jones.

46. Mr. John Beukema, host pastor, gave the address of welcome after which came the registration of those who were not registered the previous day; and the Moderator extended a welcome to visitors from outside of the association.

47. Bible Study: "How Do Men Know God" by Dr. John Lewis.

48. The Treasurer explained the matter in question at the previous day's session, and upon his motion, the budget was adopted as presented.

49. Mrs. Thurman Allred made the following Resolutions concerning the Bible Society:

Whereas, May 13, 1966 marks the 150th Anniversary of the American Bible Society be it resolved that the committee on Order of Business plan some significant presentation of the work of the society giving consideration to inviting one of the Bible Society's officers in New York to bring the major address of the association. It is further resolved that the message or report be printed in the book of reports for next year.

Norman Burnes motion that it be referred to the Resolutions Committee was carried.

50. Mr. Donald Wagner appointed R.W. Kicklighter to be moderator pro-tem.

MODERATOR'S ADDRESS

Association work was begun for churches and people in the churches to aid and assist weaker churches, to promote Baptist doctrine and fellowship.

We Baptists do not think very much of others. We think of ourselves. We know what we want. We know how to get it for ourselves and for our churches. But to help others realize what they need is a different story.

Suppose a church is destroyed. Suppose a church member's home is lost. What

do we do? The first thing we think of is taking up a collection and then sending the money by someone else or mailing the check. However, our church or friend in trouble may need a personal visit, a show of personal concern as much as money.

It seems we have succumbed to the traditions of our professional charities. Each of us is against polio. But neither of us works in a laboratory, neither is able to isolate a germ. What do we do? We give our money and allow another to do the work for us.

An attitude of professional charity donation carried over in Christian work is a terribly impersonal way to show your concern, your love and your desire to help.

For the second straight year we have had more of a financial success than in any other years the moderator has been related to the association. Still more money is needed, more things are to be done.

The Chowan Association has a mission, a chapel by the sea. This is one area where the people of our association responded well. You, your friends went to the beach to teach in the Sunday School. Thank you for your time and your effort.

Even with financial success, with good response at the Kitty Hawk Baptist Chapel our Association is in a strait. The reason, people are not thoughtful. What a statement to make to Christians. "Christians are not thoughtful."

It takes more than dollars to keep a program to help churches going. It takes more than one Sunday a year at a mission to show concern. Concern is shown by people doing things to help others as men who willingly take time from their clubs, not their families, women who will take time from their bridge parties, not their homes, to work willingly for God.

At this time the Nominating Committee does not have an Associational Brotherhood President or a Training Union Director. Maybe there is not a need in our association for these offices any more. Are you willing for these organization offices to stop helping where churches need help? (it can be added that the church members you voted to represent you on the Executive Committee were very slack in becoming personally involved in the association's work. Many would not even attend the meetings.)

Our youth and young people must be taught to respect the Creator's work in nature, His work in the world and in this universe. How will they understand without a program similar to Camp Cale? How can Camp Cale progress without thoughtful Christian people? It cannot!

You see, money is only one way to help fill the needs some of the churches and people have in this Association. For you to fill the needs of others you must give of your time, your sleep, your automobiles, your talents or abilities. You must learn to do all you can for Jesus.

As Moderator of the Chowan Baptist Association I challenge you to say, "yes" to the next associational job offered you, if within the limits of your life. After responding with a "yes" then you do it "as unto the Lord," and watch God multiply your efforts of personal work far beyond your highest expectations.

Paul said, "I beseech Euodias and Syntyche that they be of the same mind in the Lord. And I entreat thee also true fellow worker, help those women which labored with me...." (Phil. 4:2,3) In a similar spirit you are beseeched, urged to help those who labor for Jesus. Help them with your spirits, your minds, your hands!

REPORTS OF EDUCATIONAL ORGANIZATIONS

SEMINARY EXTENSION COMMITTEE - Greenville Banks

The Seminary Extension Committee successfully operated three centers last spring at Rehoboth, Elizabeth City First, and Rocky Hock Churches. Total enrollment for all centers was 48. Courses taught were New Testament, Old Testament, and Baptist History. This fall, extension centers were attempted at Rehoboth, Elizabeth City First and Warwick Churches, only the Elizabeth City First center materialized. Its enrollment is 12 and the course being taught is Old Testament. This is a marvelous

opportunity for laymen of the church to study the Bible and it is hoped that extension centers will be developed throughout our association.

SUNDAY SCHOOL REPORT - George H. Cooke

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things..."

The Sunday Schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness, hear, and minister daily, furnishing workers for various projects and interpreting the work of the church and denomination - thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrollment gain of approximately 30% in the next five years. We are challenged to have an enrollment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday School in our association to accept a net enrollment increase of 3% for 1966, 4% for 1967 Sunday Schools. As we show compassionate concern for the unreached, evangelism, stewardship, missions, discipleship -- all wait upon outreach.

Along with an increased emphasis upon outreach, each Sunday School is urged: to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote operation home study and other opportunities for training; to cooperate in the adult thrust movement, to participate in the associational Sunday School projects - clinics, conferences, enlargement campaigns; and to attend the Sunday School Week at Caswell and Ridgecrest. When our Sunday Schools begin moving forward, our churches will move forward.

The associational YWA banquet was held in February at the First Baptist Church of Elizabeth City with an attendance of 165.

The sixtieth annual session of Chowan WMU was held in Edenton March 30th. During the business session it was voted to discontinue our annual $300.00 scholarship and instead give it to the Camp Cale Campsite Development Fund.

Through contributions and donations new pews were bought and other furniture secured for the Kitty Hawk Chapel.

One executive committee member attended the State WMU Convention in March at Greensboro and six members of the Executive Committee attended the State WMU Workshop at Campbell College in August.

REPORT OF STANDING COMMITTEES

BAPTIST FOUNDATION REPORT - Gordon Maddrey, Executive Secretary

During the past four years the foundation has been actively presented to the Baptist of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member board of directors. These men are businessmen who give their business genius and ability to the work of the foundation without any renumeration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that the North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the Pastors of the convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

BAPTIST HOSPITAL -

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our medical center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are

used for this purpose: when the doctors have given their skilled service without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come ye blessed of my Father; for I was sick, and ye visited me."

CHILDREN'S HOME - By Grady H. James

The child care program of the Children's Homes of North Carolina Baptists has as its continuing purpose; the providing of proper facilities, leadership and environment for the development both physically and spiritually of children that would be deprived of these privileges if it were not for the interest and concern shown toward them by the Christian leaders of the Homes and the Baptists of the state of North Carolina.

With an eye to the future, recognizing the growing need for increased efforts to provide the proper care of our children, Long Range Plans for future development of services through the Homes have been made. These plans anticipate the number of children to be served annually for the next several years in all types of care and the approximate cost of these services. Provision is made for new types of care to meet new types of needs. Plans have been made for the up-grading and replacing of the present facilities. Of course the completion of these plans depend upon the financial support given to them by the Baptists of North Carolina.

These who desire to have a part in making possible the fulfillment of the Long Range Plans of Development have several avenues of approach to them. Many prefer to make contributions through the Cooperative Program which furnished 36% of the support of the Homes last year; others desire to make over and above once-a-month offerings which amounted to 15% of last year's support. Then, there is the Thanksgiving offering in which many participate. This offering accounted for 30% of the support received last year. Still others plan their estate in such a manner that they can continue, year after year, to help boys and girls. The endowments this year furnished 19% of the support given to the Homes. With this aid more than 800 children last year were afforded life's best opportunities, which is evidence that there is a great need to be met by the Christian Baptists in the service of their Lord.

CHRISTIAN EDUCATION - W.C. Harrell

More and more emphasis is being placed on Education. Our Government, both State and National, are spending more and more to see that all people have the opportunity to have an education. We have a great responsibility to see that it is a Christian education. There is a steady increase in the number of students attending colleges, but with this increase there is a decline in the number going into full time Christian service. We are woefully short of full time Christian Workers. A college education is expensive. The cost is going up each year. A large number of scholarships are available in many fields, but very few for a career in Christian Education.

We believe that every child is entitled to as much education as he will avail himself of. This is not possible today. Many of our students are unable to enter college because facilities are not available. The majority of colleges are screening the applicants in such a way that it is almost impossible for boys and girls born with less than average ability to be admitted. This should not be. It is our duty to provide enough facilities to educate all who will accept it. Chowan College in our midst had to turn down one thousand students this fall.

We are fortunate in having the seven fine Baptist Colleges. The leaders in these colleges are ministering to every boy and girl they can. Their hearts are made sad in having to reject so many deserving students. They are crying unto us. It is our duty

and responsibility to provide the facilities. Let us meet the challenge. Through our regular giving, enlargement programs, and Christian Education Day let's help provide our children with Christian education.

FOREIGN MISSIONS - By Mrs. Paulett Lane

"Having the everlasting gospel to preach unto them that dwell on earth, and to every nation, and kindred, and tongue, and people." Revelation 14:6

My heart is filled with the goodness and the love of God toward us as a nation today. But my heart also aches today for the multitudes of people across the ocean who know not the living God and the abundant life which comes to those who believe on the name of His only begotten Son. I feel that God holds us responsible to share the good news to these people. Desperate people, refugees living on sidewalks in Hong Kong, people full of superstition and deep fear. I think of war torn countries where young men die on battlefields without ever having heard the name of Jesus. Children dying because of lack of food and medical attention. Students all over the world rioting and rising up in anger. People who walk in the darkness of life. And yet... there is hope for the world! I think also of our missionaries serving in hard and difficult places, even in the valley of the shadow of death at times. But they are preaching the everlasting gospel to the nations of the world.

The challenge has come to us as Southern Baptists. We have been challenged to place 5,000 missionaries across the world at the earliest possible date. Impossible some may say! Surely God can call out from among over 10,000,000 Southern Baptists 5,000 who are dedicated and full of faith to proclaim the good news of salvation. God has not called all of us as foreign missionaries but to be missionaries in our own communities. Still, this does not mean that we are not called to lift up in prayer the names of our missionaries, to encourage and inspire our young people and to give of our material blessings to missions. Surely even the child and the bedridden Christian can do this. I pray that God will burden our hearts and stir us up so that we may accept and meet the challenge of 5,000 missionaries and, yes, even more.

HOME MISSIONS - Mrs. Sanford C. Stallings

Home Mission work is carried on by over 2,400 missionaries in all fifty states, Cuba, Panama and Puerto Rico.

Reports this year show that: the work in Puerto Rico was to organize into an association; more than $7 million came from Southern Baptists for home missions through the Cooperative Program and other sources - for the first time in some years, the Cooperative Program reached the advance stage (when all funds received above a given amount are divided between the Foreign and Home Missions Boards), and the Home Mission Board received $426,070; much emphasis went to new work and the Pioneer Areas; the 30,000 Movement's final report showed 18,285 missions and 6,682 churches were established; there are 748 Southern Baptist Chaplains serving hospitals, the military, etc.; new State Conventions are planned; church loans totaled more than $6 million; High-Rise Apartment Pilot projects are planned which will develop a ministry to residents of the increasing number of apartments; work with National Baptists was expanded; and, new channels for service were announced with the creation of US-2, a two-year mission term for college graduates, and the Christian Service Corps, an avenue for adults to serve without financial assistance.

Dr. Arthur B. Rutledge, executive secretary - treasurer of the Home Mission Board reminds us that there are increasing spiritual needs and that the mission agency is studying future ways to meet these needs. The increase in crime, the high level of drink and divorce, racial tension, and strife between management and labor were cited by Dr. Rutledge as reasons for an increased spiritual emphasis. Despite the largest mission force ever, he said, "there are urgent personnel needs in language missions, metropolitan missions, and pioneer missions and the parallel need for funds and other resources to make the work of these missionaries effective."

HOMES FOR THE AGING - By Mrs. I.A. Ward

The day that North Carolina Baptists launched a ministry for the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven and the Hayes Home in Winston Salem, The Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

The labor of Christian love and nurture is ours together and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two vital avenues - The Special Day offering received on the third Sunday of February each year, and the Cooperative program. Special Day offering receipts for 1964 were at an all time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever. The waiting list now is 175 and grows almost daily. We pray that every church in our Association will give increasing emphasis to this cause.

RELIEF AND ANNUITY - By Rev. L.C. Chandler

The Relief and Annuity Board was organized in 1918 and has, therefore, completed 48 years of service. After a number of years in which some efforts have been made to awaken a conscience and concern on the subject of worthy ministerial relief and annuities for our Southern Baptist ministry, we have at last made a real beginning.

The North Carolina ministers' retirement plan was closed to new members on January 1, 1956 when the Southern Baptist Protection Plan became operative in our state.

Now we have the HEALTH BENEFIT PLAN.

I am glad to quote the following which was received in a letter signed by Dr. W.K. McGee and Reid Homes of our Baptist Hospital.

"We are receiving inquiries from our pastors regarding the Health Benefit Plan offered by our Southern Baptist Annuity Board covering medical care service, and we are glad to give our opinion.

This plan for pastors and other church and Convention employees provides broad and excellent medical coverage, including outpatient service in the doctor's office and in the home, nursing care, and major medical benefits for expensive and long illness in the hospital or in the home. The plan has been endorsed and recommended by the Southern Baptist Hospital Administrators' Association. We are glad to give it our endorsement, and we heartily recommend it to our pastors and other church employees."

Let us urge every church in the Chowan association with her pastor to enter the plan.

RELIGIOUS LITERATURE - By Rev. Bill Leary

From a shaky beginning in 1891, our Southern Baptist religious press has grown to a multi-million-dollar business, printing over 100 million pieces of religious literature and publishing books.

When the North Carolina Baptist Convention was organized in 1930 its main purposes were stated in the constitution "the promotion of missions, education, social service, and the distribution of sound religious literature." Three years later the Biblical Recorder was founded and for 135 years it has borne the true message of Baptist growth and thought in North Carolina.

Our heritage is filled with hundreds of men who have realized the importance of reading the right kinds of literature; and the vast quantity and quality of materials

that have been printed by Baptist presses in our generation are a realization of their hopes and dreams. Our present problem is not good literature, but a demand for it within the lives of our people. The responsibility falls squarely upon the leadership of our churches if we are to train ourselves to be capable and worthy disciples of Christ.

Our starting place, of course, is the Bible. Then we add Sunday School, Training Union, and WMU materials to help us interpret and understand the Bible. The third step would be a subscription to our state Baptist magazine, "The Biblical Recorder." Dr. C.H. Dodd has said: "A non-reading Baptist is a non-informed Baptist. A non-informed Baptist is a non-interested Baptist. A non-interested Baptist is a non-cooperative Baptist. A non-cooperative Baptist is not much of a Baptist at all."

Make no mistake about it, the printed page is going to win the battle of men's minds and hearts. The great movements of this world depend on the printer's ink to get their message across. Baptists can do no less if we are to stay in the battle to win the loyalties of men and women, boys and girls.

TITHE - NOW COMMITTEE REPORT

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptists.

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor.

Even as we presently support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of our Foreign Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere!

Our Missionary Advance is revealed in the fact that 52.27% of the Southwide Cooperative Program dollar is being allocated to Foreign Missions.

More than 1300 Baptist churches have set goals to enlist 2,000,000 tithers by October, 1966.

Two "Tithe-Now" clinics were held in our association during the past year. Your committee will be glad to work with you in any way possible in your church effort for tither enlistment.

Your "Tithe-Now Committee suggests:

1. That the churches of Chowan Baptist Association participate in the "Tithe-Now" emphasis, that all the world may know Him.

2. That we engage regularly in prayer for cooperative causes and give special emphasis to tithing and the Cooperative Program throughout the year.

3. That the churches of Chowan Baptist Association give regularly through the Cooperative Program.

81. The foregoing Moderator's Address, Educational Reports and Standing Committee Reports are printed in these minutes by authority of constitutional provisions and motions adopted by the Association.

82. Hymn "The Morning Light is Breaking" conducted by Mr. Mangum.

83. Scripture Reading by Mr. Robert Poole and special music by Mr. Aubrey McLellan.

84. The Moderator introduced Mr. Clarence O. Griffin, Missionary from Indonesia, who had as his topic "Our Task."

85. Prayer of Installation of new officers was lead by Mr. Thurman Allred.

86. The closing hymn was "Blest Be The Tie," ending the Annual Meeting of the Chowan Baptist Association.

NOTE - WORTHY ITEMS

1. The total offering taken for relief of the Louisiana Churches was $375.44.
